

GERMAN TROOPS HEM IN MUNICH AND COMMUNISTS

Panic Prevails There and Three Members of Soviet Quit.

By Associated Press Leased Wire
Paris, April 29.—(Havas)—The encirclement of Munich by German government troops has been completed, according to German dispatches received here. This result was accomplished, it is stated, by the occupation of Landsbut, about 35 miles northeast of Munich, which city has been closely approached on all sides.

Meanwhile the government forces are dealing with troubles in Nuremberg where the Spartacan leader, Albert Schmidt, was killed by government troops and a state of siege proclaimed. The Spartacans there took one of the majority socialist leaders prisoner.

ANOTHER CRISIS NEARING

By Associated Press Leased Wire
Paris, April 29.—(Havas)—Renewed agitation in almost all parts of Germany is reported in German dispatches received here. The railway employees in the Berlin district are threatening to bring on a general strike May 7 if their claims are not satisfied, while in the Ruhr industrial district the Spartacans are again displaying great activity and endeavoring to organize a general strike in this region. Already there have been outbreaks in which casualties have occurred, the dispatches show.

Electric railway employees in Silesia generally are reported to have struck.

PANIC IN MUNICH

By Associated Press Leased Wire
London, April 29.—Panic prevailed in Munich Monday when the government troops began their march on the Bavarian capital and three members of the communist government resigned, a Berlin dispatch to the Exchange Telegraph company says. Before nightfall Monday government troops had captured several villages.

A delegation from the communist government went to Ingolstadt on Sunday to discuss the situation with the Berlin government military leaders.

The communist leaders in Munich are said to be ready to escape quickly in airplanes.

CORN GOES OFF 13 CENTS WHEN SELLERS UNLOAD

By Associated Press Leased Wire
Chicago, Ill., April 29.—Tremendous price-smashing took place today on the board of trade. Holders of grain and provisions competed on a big scale in efforts to unload and to stop losses on a declining market. A long-throated movement of corn and hogs from rural sources was largely responsible for the general rush to sell.

Breaks as shown are midday amounts of 14c a bushel on corn, and \$1.30 a barrel on pork.

May delivery of corn showed the greatest weakness, dropping to 157 3/4 as against 165 7/8 to 166 at yesterday's finish. July delivery at 157 1/2 was off more than 13c from yesterday's top level. Trading in the corn market was especially on a broad scale, with individual operations counting for little.

Accompanying the break in prices and forming a powerful aid to the sentiment for a greatly cheaper level of values was a notice from the federal wheat director that the government would discontinue until further announcement any further purchases of wheat flour for export excepting first clears and victory mixed flours. The purpose of this notice was stated to be to stop speculative fever.

It was declared by the federal food director that if necessary all import restrictions on foreign wheat and flour would be taken off. He said, however, that there was plenty of American wheat and flour if the speculative tendency was stopped.

The announcement of the federal wheat director was followed immediately by further drops in the corn market. As an evident result, the market fell to \$1.55 3/4 for July corn, a descent of 9 1/2c over night.

Yokohama is Swept By Fire; Loss 7 Million

By Associated Press Leased Wire
Yokohama, April 29.—The monetary loss in yesterday's great fire is estimated at 15,000,000 yen or approximately \$7,470,000 under the pre-war rate of exchange. Thousands of people are homeless. The loss of life was two killed and 30 injured. Sixty blocks in the Japanese quarters were burned, including public buildings and houses. It was the most disastrous conflagration in the history of Yokohama.

DEMENTED WOMAN CAUSED COMMOTION

A Mrs. Sanders, of Boone, Iowa, created considerable excitement at the Illinois Central depot this morning shortly after 7 o'clock. She was being taken from Boone to the home of her parents at Minonk and was transferred from the North-Western to the Illinois Central here. The woman is in a demented condition and refused to be put on the train. Her husband, who accompanied her was assisted by passengers boarding the train here, in putting her on the train.

Miss Mildred Unangst is suffering from tonsillitis.

TRANS-ATLANTIC FLIGHT PUT OFF BY BAD WEATHER

Preparations Made to Start When Rain Prevents.

By Associated Press Leased Wire
St. John's, N. F., April 29.—Early morning plans to start the trans-Atlantic airplane race today were upset by Newfoundland's fickle weather. Although mid-ocean conditions were reported favorable, black clouds gathered off shore during the forenoon and soon a heavy rain began to fall. There was no indication of a let-up.

MAY START LATE TODAY

By Associated Press Leased Wire
St. John's, N. F., April 29.—The trans-Atlantic airplane race is expected to start from St. John's some time this afternoon. Reports received here this morning were that weather conditions over the ocean were favorable and Captain Frederick P. Raynham, British aviator, and Harry Hawker, his Australian rival, each had his belongings packed and the wings of his machine preened this morning for flight toward Europe.

For a fortnight the two birdmen have been virtually weather-bound here. Today simultaneously with the prospect of excellent meteorological conditions at sea, incentive for an immediate start over the untraveled air course of 2000 miles, came the news that American airplanes of the NC type were soon to set out for Newfoundland preparatory to seeking the honors to which Raynham and Hawker aspire.

Consult Over Weather

The pilots and their navigators devoted much of their time this morning to consultation with Lieut. L. J. Clements, royal air force meteorologist. Official announcement of the British air ministry's weather findings was withheld from newspaper correspondents, on orders from London, because of the controversy over divergent reports.

It was learned, however, that early messages from vessels indicated continued improvement in the weather situation, which yesterday brought Raynham and Captain Charles W. F. Morgan, his navigator, and assistant pilot and their Martinside seaplane to the starting point only to be balked by choppy cross winds. Hawker's Sopwith machine was not ready yesterday.

Today's Reports Good

The incoming reports today were said to show that the blustery currents which have held over the mid-Atlantic for days were gradually assuming regularity of direction, although not entirely from favoring quarters, and that these winds were of a more nearly even velocity, with a pronounced tendency to diminish. Visibility was said to be high, but not perfect.

Locally the wind was light in the southwest this morning with the skies almost clear, but during the forenoon the breeze veered to the east, bringing with it a slight haze, which observers said might develop into fog. The sky became overcast, but the aviators continued their preparations for departure.

AMBASSADOR PAGE CALLS ON ORLANDO

By Associated Press Leased Wire
Rome, April 28.—(Delayed)—Thomas Nelson Page, the American ambassador, visited Premier Orlando today. The two men had a friendly conversation, in which the ambassador expressed regret at the situation that had arisen.

WILSON APPROVES RETURN OF WIRES

By Associated Press Leased Wire
Washington, April 29.—President Wilson has approved Postmaster General Burleson's recommendation that the telegraph and telephone systems be returned to their owners upon the enactment of legislation deemed necessary, and that the American cable lines be restored to their owners forthwith.

The president's approval was announced in a cablegram today to the white house. Mr. Burleson stated yesterday that he hoped to effect the return of the cables by May 10.

REPUBLICAN CHIEFS WILL NOT DISCUSS LEAGUE AT PRESENT

Senator Lodge Appeals to G. O. P. Senators to Keep Quiet.

By Associated Press Leased Wire
Washington, April 29.—Telegrams were sent to all republican senators today by Senator Lodge of Massachusetts, floor leader, and Senator Curtis of Kansas, whip, asking that public expressions of opinion upon the league of nations covenant be withheld until a republican conference could decide on what attitude should be adopted. The message follows:

"We suggest that republican senators reserve final expressions of opinion respecting the amended league covenant until the latest draft has been carefully studied and until there has been an opportunity for conference."

It was understood that no date has been fixed for the conference.

PARIS PRESS NOT ENTHUSIASTIC ON LEAGUE ADOPTION

By Associated Press Leased Wire
Paris, April 29.—The covenant of the league of nations arouses little enthusiasm in the press of this city. Indeed, many of the principal newspapers abstain from comment altogether. L'Ouvre, which has always been a champion of the league and of President Wilson, says: "Speaking generally we are bound to say the pact of the league of nations causes a certain amount of disappointment. Its 26 articles constitute really the statutes of the league of governments to safeguard their territorial sovereignty and not a new charter of the law of nations which had been hoped for."

The newspaper thinks that the resignation shown by Belgium, Japan and France must be due to promises or special guarantees which will be known perhaps, "when diplomacy is no longer secret."

Writing in the Echo de Paris, "Perrinax," spokesman of the nationalists declares outright: "The league of nations is dead before birth." He also refers to rumors of treaties being made between the allied powers remarking "to reassure us Premier Clemenceau and Foreign Minister Pichon allege they hold favorable alliances in their portfolios. These parchments must be beautiful, complete and eloquent to justify such docility on the part of the French ministers."

PUPILS PRAISED FOR PENMANSHIP

After a careful examination of a set of specimens sent in from grades three to seven of the Dixon schools to the Zaner and Bloser School of Penmanship, the following pupils have been credited with submitting the best work in penmanship in their respective grades:

Central School:
Seventh grade, Cornelia Charles.
Sixth grade, Ruth Rice.
Fifth grade, Sarah Pelton.
Fourth grade, Nan McGinnis.
E. C. Smith school
Seventh grade, Hazel Stanbrough.
Sixth grade, Eleanor Senn.
Fifth grade, William Zoeller.
Fourth grade, Helen C. Boyer.
Third grade, A. Ruth Weiman.
Third grade, L. Alice Ferguson.
Woodworth school:
Third grade, Hubert Seipel.

The original work of each of the foregoing pupils is to be framed and hung in their respective rooms as a standard for next year's classes.

Direct supervision of penmanship begins in the third grade and continues through the eighth. Certificates of proficiency are given 8th grade pupils when they have reached the standard. Many eighth grade pupils are proud possessors of the same.

POLO YOUNG MAN DROWNED HIMSELF

(Special to The Telegraph)
Polo, April 29th.—Mental derangement following an attack of influenza, which caused his being sent to the Watertown hospital a few months ago for treatment, at which time his aunt, Miss Minnie Hecker, also of this city, who was his only blood relative, was also taken to the institution, resulted in the suicide here yesterday of Leon Phillips, aged about 35 years. Word of the young man's self-destruction was received here this morning by attorney Brand, the message stating that he had jumped from the bridge and had drowned, the body having been recovered. The remains will be brought to Polo for burial, and the afflicted aunt will be permitted to accompany the funeral party, but it is not known when the body will arrive or when the funeral can be held.

Alabama Mine Blows Up; 40 Are Entombed

By Associated Press Leased Wire
Birmingham, Ala., April 29.—The Majestic mine, 22 miles north of Birmingham, has been blown up by an explosion of coal gas, according to information reaching here. The accident occurred shortly after noon. Four men have been taken out of the mine severely injured and forty others are believed to be still in the mine, according to company officials. The government mine rescue car is en route to the scene from Dora, in Walker county.

GERMAN ENVOYS TO PEACE MEET ARRIVE TONIGHT

Delegates Already in Versailles Are Not Guarded.

By Associated Press Leased Wire
Paris, April 29.—It has been virtually decided that the first meeting of the league of nations shall be held in Washington next October.

CONFERENCE WITH JAPS

By Associated Press Leased Wire
Paris, April 29.—Before the meeting of the council of three this morning President Wilson received Baron Makino, head of the Japanese mission, and Viscount Chinda, his colleague. Their conference lasted nearly an hour. Presumably the question of Kiao Chau was under discussion.

The council at the beginning of its session received a committee from the Belgian cabinet and gave it a hearing regarding the question of indemnities. Baron Makino and Viscount Chinda remained with the council throughout its session which was a protracted one.

GERMAN ENVOYS ARRIVE

By Associated Press Leased Wire
Versailles, Monday, April 28.—Eighty-seven members of the German peace commission arrived here tonight, being the second party to reach the scene of the presentation of the peace terms. Of these thirty were women. The Germans include the commission on limitation of armaments composed of Doctors Von Becker and Schall and Major Böttcher and that on commercial affairs. Sixteen of the latter commission are women. With the party were the official courier, Von Bismarck, a doctor, a barber, and Rudolph Brand, the press representative. There was also a number of telegraph and telephone operators.

The party left the train at the little station of Vaucresser, 12 and a half miles from Paris, from which place they drove to Versailles in automobiles. The mayor of Versailles, Henri Simon, posted a proclamation appealing to the population to maintain a dignified and calm attitude and has also appealed to the visitors to abstain from "inopportune manifestations and indiscretions."

Rest to Comp Today.

While there will be but few witnesses to the signature of the treaty in the hall of mirrors, the mayor has asked that the public be admitted during the days following that event so that they may see the arrangements of the historic apartment. All the buildings here will be decked with flags on the day that the treaty is signed. Count Von Brockdorff Rantzau, the German foreign minister, is expected to arrive tomorrow with the rest of the delegation.

Herbert H. Asquith May Be Envoy to U. S.

By Associated Press Leased Wire
London, Eng., April 29.—Herbert H. Asquith, former premier, is likely to succeed the Earl of Reading as ambassador to the United States, according to the Evening News, today.

The newspaper says it understood that Mr. Asquith "was informally offered the post a few months ago and declined, but not in such a way as to preclude an offer later."

The Evening News states its belief that all the ministers strongly favor Mr. Asquith's appointment and that he may consider it his duty to accept.

FORMER DIXONITE DIED IN KAS. CITY

Word was received here today of the death of another former Dixon resident, Jonathan Deeter of Kansas City, who formerly conducted a furniture store in this city. He had lived on a farm near Kansas City for several years.

His death occurred last Saturday and the funeral was held yesterday in Kansas City. He leaves a wife, son Roy at Omaha, Ellis at Chicago and daughter, Mrs. Oscar Dunn of Kansas City. Several relatives reside in the vicinity of Dixon. He was about 65 years of age.

12-YEAR-OLD GIRL SENT TO WATERTOWN

Myrtle Bratton, 12-year-old daughter of Mr. and Mrs. Glen Bratton, of Franklin Grove, former residents of this city, was tried before a commission of physicians last evening and committed to the state hospital at Lincoln. Turnkey Joe Miller left this morning to deliver the girl to this place. She was committed from the county court March 20 and sent to Watertown for treatment. Deputy Sheriff Cupp, of Franklin Grove brought the girl to Dixon late last evening.

GERMAN ENVOYS TO PEACE MEET ARRIVE TONIGHT

By Associated Press Leased Wire
Versailles, April 29.—The leading members of the German peace congress delegation are expected to arrive here at 9 o'clock this evening.

Pending the expected arrival of the principal German delegates tonight, the Germans now here were busily engaged today in and between the three hotels they occupy. They passed freely through the streets without incident and with no police guards.

MAYOR THOMPSON OF CHICAGO PLEADS FOR NEW REVENUE LAWS

Requests Legislature to Catch "Tax Dodger" to Boost Revenues.

By Associated Press Leased Wire
Springfield, Ill., April 29.—Declaring that city of Chicago faced a financial shortage of approximately \$13,000,000 a year under existing revenue laws, Mayor William Hale Thompson of Chicago today urged upon the general assembly in joint session amendment of the revenue laws to catch the "tax dodger" and "double the revenue while cutting the rate in half."

Under severe grilling by Chief Minority Leader Michael Igoe, Mayor Thompson declined to recommend any increase of the tax rate or to approve the Young bill now pending which would boost the rate in Chicago from \$1.20 to \$2.35.

Fix Drastic Penalty.

"I am not here to say what legislation you gentlemen should enact," said the mayor. "I submit for your consideration the thought that if our tax laws were on the same basis as our federal laws, providing imprisonment for any person who shall refuse or fail to file a complete and true schedule of the property owned by him or under his control, this would discourage tax dodging and would distribute the burden of taxation much more than at present and reduce our tax rate very materially. This would produce adequate revenues not only for the city of Chicago, but for all other local governmental agencies."

Minority Leader Igoe attacked Mayor Thompson's suggestion as theoretical. In answer to objection to Majority Leader Shurtliff that the discussion had assumed a political character and was not pertinent, Mr. Igoe declared he was anxious to know why the Chicago tax rate should be increased "almost a hundred per cent" as provided in the Young bill, and said it could be done "only by a republican majority."

Chicago 13 Millions Short

Mayor Thompson was applauded when he took his seat on Speaker Shanahan's platform, and again when he arose to speak. He read a prepared address.

Appropriations for corporate purposes in Chicago for 1919, he stated, would total \$33,506,924.

"Deducting the resources under the present law from the amount of money needed, as estimated by the city council," he said, "leaves a shortage of approximately thirteen and one-half million dollars a year."

Unless relief was given by the legislature, the mayor said, serious curtailment of the fire and police departments and the public health department would have to be made.

POLO PIONEER WAS CALLED YESTERDAY

Mathias Myers, for forty-two years a resident of Polo and vicinity, passed away yesterday at 3 p. m., at the home of his daughter, Mrs. Florence Travis, of Polo, after a long illness from heart trouble.

He was born in Franklin County, Pa., 78 years ago January 10th and in 1865 was married at Greencastle, Pa., to Miss Ellen Davis, later coming to Polo in the vicinity of which he farmed for a good many years.

He twice enlisted in the Union army, serving 18 months during the Civil War and later receiving his honorable discharge, he returned to the pursuits of farming.

He leaves to mourn his loss five daughters and two sons. His wife preceded him in death two years ago in February and a daughter died in infancy. The children surviving are: Mrs. Alice Casey, of Sterling, Mrs. Thomas Hults, Mrs. Amos Elliott, Mrs. E. E. Snyder and Andrew Myers, of Dixon, and Mrs. France Travis and Charles Myers, of Polo.

Mrs. E. E. Snyder, of this city, and Mrs. Travis, of Polo, with whom he made his home, were present at his bedside as he passed beyond.

Funeral services will be held Thursday at 1 p. m., at the Brethren church in Polo, with the Rev. Mr. Wine in charge. A brief service will be held at the house at 12:30. Burial will be made in the Emmert cemetery east of Dixon.

The pall-bearers will be grand-children of the deceased and will include Charles Casey, of Sterling, Charles Horton, of Rock Falls, Elmer Snyder, Harold Hults and Curtis Rice, of Dixon, and George Albright, of Polo.

PLOW CO.'S TEAM IN CHICAGO TOURNNEY

The Grand Detour Plow company's bowling team will enter the Illinois State tournament at Chicago and will roll its games on May 3 and 4. Last evening the team rolled a practice match with the following score:

Congress is Blamed for Burleson "Mess"

By Associated Press Leased Wire
Washington, April 29.—Blame of much of severe criticism of Postmaster Burleson was placed on congress today by Senator Borah, of Idaho, republican, who in a statement said the postmaster general is only exercising the laws which congress passed conferring drastic and unlimited powers under the guise of war powers. The best remedy, the senator said, would be for congress to repeal these laws.

DIXON RAILROAD MEN WITH "13TH" REACH NEW YORK

Famous Railway Organization Home From Overseas.

The Thirteenth Engineers (railway) U. S. A., which included C. S. Evenson, John Mahan, Will Kennedy, James Sheehan and Floyd Harrington of this city, which was recruited from six railroads entering Chicago, and which made it possible for Gen. Pershing to loose that irresistible flood of Yanks upon the Germans at St. Mihiel and in the Argonne, arrived in New York yesterday on the transport "Belvidere"—and as far as is known in this city all of the Dixon men with the exception of Lt. Evenson were with the happy unit, which will leave within a few days for various camps for demobilization. It was this regiment that transported every man and every shell used in the two titanic struggles mentioned, in addition to performing a lot of other tremendous tasks "over there."

They disregarded all provisions of the Adamson bill and the basic eight hour day to do it, but the mighty flood of American manhood that swept the Germans out of the "impregnable defenses" of the Argonne forest testifies to the efficiency which the Chicago men did their work.

ROGERS CHOSEN HEAD OF DIXON Y. M. C. A. BOARD

Succeeds H. H. Hagen—Other Officers Elected.

O. M. Rogers, who has been a member of the board of directors of the Y. M. C. A. for one term, was elected president of the association at the annual meeting of the directors last evening. He will succeed Professor H. H. Hagen, superintendent of the North Dixon schools, who will leave this fall to enter the Chicago school system.

Other officers elected last evening were as follows:

B. S. Schildberg, Vice President.
A. W. Leand, Secretary.
J. C. Schuele, Treasurer.
Walter Manherz, boys' secretary, will leave the first of May for Pennsylvania where he will make his future home. Elmer Igoe, former boys' secretary at Watertown, Ill., will take charge of the work temporarily. Harry Hilbish, of Franklin Grove, will take over the work for the summer at the close of the school year.

MILITARY FUNERAL FOR SGT. JNO. MOSS

The funeral of Sergt. John Catori, or John Moss, as he was more commonly known in this city, who passed away at the Dixon hospital Sunday night following a strange illness which led to belief of poisoning, will be held at 10 o'clock tomorrow morning at the Jones' undertaking rooms and at 10:30 o'clock at St. Patrick's church, Father Quinn, officiating, and with burial at Oakwood. Because of the lad's soldier record it is felt that he should be given a military funeral, and to that end Captain Fruin has ordered Company F to assemble at the Armory at 9:30 o'clock to attend the funeral in a body and to act as an escort, and he also asks that all discharged soldiers who feel that they should pay their tribute to a departed comrade meet at the Armory at the same time. At that time the discharged men can determine whether they wish to march with Company F or as a separate unit. The former member of Company G will be laid to rest in his service uniform.

ANOTHER VETERAN OF 13TH IS DEAD

Another member of the old Thirteenth Illinois Infantry, that regiment of Illinois fighters which was mustered into the Civil War at Dixon, and the remnants of which hold the annual reunion in this city every May, has answered taps. Comrade Ed. E. Payne died at his home in Morrison Monday morning at the age of 82. He had been confined to the house, most of the time to his bed, for six months. Funeral arrangements have not been made pending word from the deceased's son in Cleveland, O.

EIGHT JURORS ACCEPTED IN MURDER TRIAL

110 Veniremen Had Been Examined Up Until Noon.

JURORS ACCEPTED

Frank Ambler, Wyoming.
Robert Mullen, Willow Creek.
James Keefe, Amboy.
John Blackburn, Marion.
George Wagner, Bradford.
Ezra Whitney, China.
John Kelly, China.
Fred Rhodes, South Dixon.

BULLETIN.

At 2:45 o'clock this afternoon the second squad of four jurors had been accepted to try Johnson and Lucas.

Selection of jurors promised to consume the major portion of the day in the case of Alfonso Lucas and Raymond Johnson, two colored men accused of the murder of George Bush, also colored, at Nelson last December, which case is occupying the attention of the circuit court this week. The case was opened yesterday and up until noon today 110 veniremen had been examined and accused for cause or on preemptory challenge by the court or attorneys and only four jurors had been accepted and sworn in. Two others had been tentatively accepted.

Called 25 More

The regular panel of 32 men, a special panel of 33 and another special panel of 50, called for yesterday, failed to supply more than the above named jurorsmen and Judge Heard, who is hearing the case, issued a special call for 25 more veniremen for immediate service, this morning. At the present rate there is prospect that even the number called for may be insufficient. State's Attorney Harry Edwards, for the People and Attorney Martin Gannon, representing the two defendants, are using great care in the examination and selection of the jury. A large number of veniremen are disqualified from service on the jury by the court because of stated conscientious scruples or objections against the infliction of the death penalty, or prejudice against the colored race or because of having discussed the case and expressed opinions heretofore.

At noon Attorney Gannon for the defense had used up 21 of his 40 allotted preemptory challenges. Each side is ordinarily allowed 20 preemptory challenges. There being two defendants, 40 are permitted in this case.

Hints at Defense

Questions put to prospective jurors by Attorney Gannon give some indication of the outline of the probable defense. (Continued on page 4.)

AUTO THIEVES MADE PLEADING OF GUILTY

Chief Van Bibber and Paul Miller, who were to have appeared before the circuit court of LaSalle county at Ottawa yesterday afternoon, did not have an opportunity of making the trip. After having been subpoenaed by Sheriff Schoenholt they were notified yesterday at a late hour that the two men, against whom they were to testify, had entered pleas of guilty. They were sentenced to six months terms in the state penitentiary at Joliet. The two men were arrested east of Dixon on the Daysville road for the theft of a Ford touring car belonging to a farmer residing near LaSalle. Paul Miller crowded the pair into a ditch where they abandoned the stolen car and were later captured and turned over to the LaSalle county authorities.

KLING CITED FOR HABITUAL BRAVERY

Private Carl L. Kling, son of Mr. and Mrs. E. L. Kling of this city, who was a member of the headquarters company of the 149th Field Artillery, and who has been at Camp Grant for medical treatment for several weeks following his being ordered back to the states as a casual, has been cited by Col. Henry J. Reilly, commander of the regiment, for "habitual" bravery. Col. Reilly's general order including the Dixon young man among fourteen members of the headquarters company who had "habitually distinguished themselves."

Mr. and Mrs. Kling are planning to go to Chicago to witness the parade of "Reilly's Bucks," the date of which has not yet been announced.

NO TRACE STOLEN CAR FOUND HERE

Deputy Sheriffs Dodson and Funk, of Ogle county and Marshal Hodges, of Rochelle, spent yesterday afternoon in Dixon searching for the young fellows who stole a Ford car from Rochelle yesterday morning and who were thought to be coming to this city, mention of which was made in The Telegraph last evening. They failed to find any trace of the missing car here. The last seen of it was at Franklin Grove, and it is believed the driver may have turned south from that village.

Lt. Downing Sails.

Yesterday's dispatches bring the information that Lt. B. Frank Downing of this city sailed from France on the S. S. Huron with the 120th, 135th and 266th Aerial Squadrons and is due to land in New York on May 7th.

Ernest Bates Home.

Ernest Bates, who saw service in France with the 58th Infantry, 4th Division, is now at home after receiving his honorable discharge recently at Camp Grant.

FAMILY ROW SAVES WOMEN OF HUNGARY

Plan to Communize Them
is Prevented By Wife
of Cabinet Member.

BUDAPEST, April 21.—(Correspondence of the Associated Press)—It was due to a family quarrel that Hungary escaped having its women "communized" after the fashion in the Russian "republic" of Saratoff rather than to the abhorrence of Bela Kun to the scheme as the latter afterwards stated.

The law to communize women was actually framed and in the printer's hands ready for publication when Herr Weltner, one of the cabinet of bright young men who are now ruling the fate of the former kingdom went home for supper. During the meal he told his wife and his mother-in-law in glowing terms about the projected reforms.

"What are you doing for woman?" they asked.

Weltner then explained that in the future women would be free; that they would be permitted to choose their own husbands and discard them if they liked, by the simple process of paying a few cents for a legal paper declaring their "autonomy" for married life. Further conversation developed the fact that the new law also gave husbands the same right; that children might be turned over to care of the state so that both husband and wife would get rid of the duties and responsibilities of rearing their offspring.

"Do you mean to tell me that you can get rid of me from one day to another and marry the next day if you like?" demanded young Frau Weltner.

"That's how the law stands," replied the husband.

Then the storm broke. Both wife and mother-in-law began to scream and a frenzied scene ensued, the upshot of which was that the women demanded that Weltner should get the law stopped or they would leave him at once and would moreover, get all the wives, mothers and mothers-in-law of all the ministers to do the same.

Weltner in the interests of his home comfort and peace eventually promised to do his best and use his influence with his fellow members through his paper, the People's Voice, to get the law rescinded. He went to the telephone and had a conversation with Bela Kun and the other ministers and then called up the printers, telling them that no proofs needed to be "pulled" from the forms where the law lay. He also ordered that the type should be melted up and the copy destroyed.

It was thus that the law died.

PENN CORNERS

(Miss Addie Cunningham.)
Owing to the rainy weather the preaching services at the Christian church Sunday morning were not so largely attended. Remember the Bible meetings next Sunday, and preaching in two weeks.

Mr. and Mrs. Harry Cooley were guests Sunday at the T. N. Cunningham home.

A number of the schools in this vicinity enjoyed a day of vacation Friday owing to some of the pupils taking the eighth grade examinations. The following pupils of Miss Edna Dimmick of the Fairview school successfully passed the examinations, Mary Fessler, Marie Adams, Lewis Peacock, Samuel Hartzell and Willie Engle.

Those from the Highland, who were so successful were, Hazel Jones, Inez Dockery, Margery Stiff and Grace Nettz, Ethel Seyster, as was formerly announced did not take the examination this year.

Mrs. Carl Straw and children were Sunday dinner guests at the D. F. Seyster home.

Mr. and Mrs. Morton Dockery and daughter of south of Woosung, attended services at the Corners Sunday.

Dr. F. C. Inks, of Polo, was called Friday to see the youngest son of Mr. and Mrs. Solon Every, who is a victim of la grippe.

Mr. and Mrs. Gordon Cunningham and daughter were entertained at a friend's chicken dinner at the Harry Powell home Sunday.

TROOP ARRIVALS.

New York, April 29.—The steamship Kronland, which sailed from St. Nazaire for Newport News, but was diverted to New York, brought home 2,733 troops, including eleven officers and 283 men comprising the 138th infantry's machine gun company (35th division, Missouri and Kansas former national guard), assigned to Camp Sherman, Taylor, Travis, Dodge and Funston. Twenty-two officers, 469 men and 7 nurses returned convalescing from illness or wounds.

MEN OF PRAIRIE DIVISION ASK TO PARADE IN CITY

Letters from Command-
ers of Division Urge
Such Parade.

Springfield, Ill., April 28.—Renewed efforts are to be made by Governor Lowden and other state officials to get permission of the War Department for a parade of the Thirty-third division in Chicago.

Today there came from the headquarters of the Thirty-third, at La Rochette, Luxembourg, letters signed by Col. J. B. Sanborn, Milton J. Foreman, Henry A. Allen, Abel Davis and John V. Cline. They declared it was the earnest wish of officers and men to parade in Chicago and asked that every effort, "even to sending a committee to Washington, if necessary, be made."

The letters express so different a desire from the alleged wishes of the men as cabled from abroad, that nothing will be left undone to fulfill the hopes of Illinois people.

Call it "People's Right."
Excerpts from the commanders' letters are as follows:

"It is the ambition of the officers and men of the 33rd division to parade in Chicago as a complete unit. The people of the state and of Chicago

have a right to see its soldiers practically as they came out of combat.

"It is the right of every man who was assigned to and served with the division to parade with the division. The spirit and enthusiasm of the men will be dissipated if the division is broken up and they are sent to many camps before they are given the opportunity to show themselves to the people of Illinois, whom they have so splendidly represented.

"We desire steps taken to secure the necessary action from the War Department, making it possible for the entire division to go direct to Camp Grant. From there the division can assemble in Chicago or elsewhere to participate in a parade. We further desire the arms and suggest the sending of a committee to Washington, if necessary, to accomplish this plan.

Pleasure to Men.
"While the expense of carrying out this movement will be somewhat greater than under present plans of the War Department, it will be inconsequential, in comparison with the rights of the men, the pleasure it will give them, and the national patriotic profit which will flow from it. Active affirmative action will be appreciated by every officer and man in the division."

Some definite action on the letter will probably be taken tomorrow. Gov. Lowden announced today that he would go to Chicago for the review of the 149th Field Artillery, whenever it is held. He also expects to go to New York to receive the Thirty-third.

PEACE SUMMARY

The stage is rapidly being set for the final phase of the peace negotiations. Yesterday's plenary session of the peace conference stamped its approval on the covenant of the league of nations, while today Germany's plenipotentiaries are expected to arrive at Versailles to join the members of the mission already there.

Some points in the peace treaty to be presented to the Germans are as yet unsettled, but it is considered probable that the clauses involved will shortly be ready for incorporation in the document, so that the completed treaty will be ready for the enemy delegation by the week's end.

Italy was not represented at the plenary session yesterday, but dispatches from Rome indicate the probability that her delegates will return to Paris after a brief period. The Italian parliament will meet today and it is expected that Premier Orlando will at once appear and lay before it the situation which

arose at Paris when President Wilson made his public statement relative to Fiume and the Dalmatian coast.

Action by the parliament which will be, in effect, a mandate to the Orlando ministry, will be requested, there being an effort to secure a unanimous vote on the resolution demanding that Italy's claims on the eastern coast of the Adriatic be recognized. If this is done, it is probable that Premier Orlando and his colleagues will immediately reappear at Paris.

Advices from Rome state that the semi-official view of the situation there is that Italy has not definitely withdrawn from the peace conference, but has merely suspended participation. If the vote of the Italian parliament is favorable to the position taken by Premier Orlando it is probable that the diplomatic battle will be resumed in Paris.

There is apparently no thought, for the present at least, to annex Fiume to Italy by parliamentary action. It being planned to demand action on the part of the conference.

The national council at Fiume, how-

ever, has, according to a report, handed over all the powers of the state and municipality to a representative of Italy there.

German government troops are slowly encircling Munich, which is held by soviet forces, but it is probable that it would be several days before a general attack on the city is launched. Gustave Noske, the German minister of defense, is in command of all the government troops. Bavarian and Wurtemberg forces being placed under his control.

Rumanian attacks against the soviet army of Hungary are making progress, according to reports, which state that Bela Kun, the head of the Hungarian bolsheviks, has admitted the troops under his command are being defeated. Hundreds of people are being arrested at Budapest and are being held as hostages by the bolsheviks who threaten wholesale executions if the Rumanians continue to advance.

The withdrawal of American forces from most of the front line positions in northern Russia is reported. It is said that they will leave the country as soon as practicable.

W. R. C. NOTES—

At the regular meeting of the Woman's Relief Corps Monday afternoon, April 28th, at G. A. R. hall over forty members were in attendance.

During the session the president announced that all members were expected to take part in the annual memorial service Sunday, May 4th, at 3 p. m., when flowers will be strewn upon Rock River in memory of departed sailors and soldiers of the Civil war who sleep in watery graves.

Among those who reported having purchased Victory bonds, Mrs. M. E. Finkler ranked first with \$2,000 worth and received the applause of all the members.

One new member was initiated and two applications were read. The name of Mrs. Dora North, of Farmers City, Ill., was, at the request of Mrs. Johnson, secretary of the Polo corps, endorsed by the Dixon corps as the favorite candidate for Department President, to be elected to the convention to be held at Rockford, June 10, 11 and 12.

Mrs. Emma Kennedy, who was chairman of the executive committee for the first quarter added \$39.05 to the treasury as the result of the committee's efforts. Mrs. Christina Mall is chairman of the second quarter.

The membership of the Corps is steadily increasing and the president cordially invites every true, patriotic woman to unite with the order and assist in the noble work.

The president and the majority of corps members attended the funeral services of Comrade Ernest Wernick, who passed away at his home at the age of 87 years on April 23rd.

The services were held at the Lutheran church Saturday, April 26th, and the corps conducted the ritualistic services used on such occasions. His departure from life leaves a sadness in the corps as his genial face will be missed.

The next regular meeting will be held on May 12th.

P. E. O. CONVENTION REPORTED—

Reports of the state convention, P. E. O., held last week Monday, Tuesday and Wednesday in Peoria and attended by three members from the Dixon chapter, Chapter A C, Illinois P. E. O., occupied the major portion of the meeting held yesterday afternoon at the home of Mrs. Abner Barlow. A chap-

ter from a book having an interesting sketch about Grand Detour was read by Mrs. Hamilton and Victrola music was also enjoyed, these making up the remainder of the program.

The meeting in Peoria was attended by Mrs. S. W. Lehman, Miss Grace Judd, and Miss Myrtle Judd and was reported by Miss Judd.

This year the P. E. O. organization is celebrating its fiftieth anniversary and in Illinois there are just exactly fifty chapters. Each of these sent two delegates, with the exception of three of the chapters having one delegate each. These convened in the Jefferson hotel.

Again the Dixon chapter was honored by the election of one of its members to state office, Miss Ruth Dysart again being chosen to fill the office of state recording secretary.

Miss Judd read a paper before the convention.

The Peoria chapter gave the delegates very pleasant entertainment, giving a reception in the Jefferson hotel on Monday evening. Another pleasurable feature was the motor drive about the city as the guests of the B. I. L.'s of the Peoria chapter.

ORGAN RECITAL PROGRAM—

The following program will be given by Mrs. Gatty Sellars, the famous English organist, at the Baptist church, Friday evening, May 2, at 8:15 o'clock:

THE PROMOTER'S WIFE

By JANE PHELPS.

MR. POWERS LOOKS UP PROPERTIES NEIL ADVERTISEMENTS CHAPTER LXXX.

"Did I not think I could help you, I should hesitate to distress you as I must," Mr. Frederick resumed gravely. "But I do think I can. So I must make things plain to you. Your husband when he first decided to promote big schemes, did not, I am sure, intend to be dishonest either with himself or his clients. But the lure of big business caught him. Easy money—it is very hard to make big fortunes in natural channels, hard, and a slow proposition. He was very young. When he saw how easily people bite when they think they can make big money with little; how quickly and eagerly they swallowed any idea that promised big returns, he commenced to look around for properties which he could handle to advantage in this way. Properties in which there was of course an element of risk for the client, none for him. From that it was but a step to simply imagining he had something to sell. None of the people who put in the money ever investigated; they were satisfied to get the big interest he paid them, and then to live on the promises of immense profits. It was a temptation. Forbes succumbed to it. I had been suspicious of some of his deals for some time; but when I found he had associated himself with Connor and Seales I was sure of it. I tried to make him get out from under that combination when I talked to him the other day. I told him all I knew, and I could prove every word I said. They are two sharpers. If trouble came the brunt of it would fall on your husband. They are slick, and always manage to slide out from under. Of course, Mr. Forbes didn't believe me, thinks me an old woman for meddling, I expect. Although I tried to be as tactful as possible because I want to be your friend and—his," I smiled a little as I recalled that Neil had called him an "old woman" when speaking of him.

"I talked to Neil last night, I volunteered. "What did he say?" "He laughed away my fears. Told me, kindly, of course, to look after the house and the baby. That he would attend to his business."

"I'm sorry he wouldn't be serious with you. I had hoped great things if he were,—if he would listen to you. He is so young that he will be forgiven in time if he stops short now, but if he goes on I am afraid there is nothing but trouble ahead for him."

"What can I do? I am ignorant of business, have trusted him so implicitly—trust him now," I added. Not to this man whom I knew cared enough for me to try to straighten out the tangle of our lives would I own that I had lost faith. "Trust him as being honest himself, even if he had been led astray by others." It was only a half declaration of faith. But I had to say something.

"Yes—I know. But—pardon my bluntness—you must not let your faith in him—your love," he hesitated over the word, "blind you to the necessity of recognizing his danger—and yours. Now to get back to Powers. He talked frankly with me. He like others recognizes Forbes' ability, his cleverness. He said many complimentary things about him. But he also said that he feared for his future. That he had become mixed up with many shady transactions, that he personally knew of cases where he, Forbes, had misrepresented matters to people to get them to invest."

"Not knowingly misrepresented, I am sure," I interrupted, my face burning. "I am afraid he did," his voice serious, but kind. "At least he took no pains to see if what he promised could be done; or if even he had the proper-

ties he claimed were to turn out such a bonanza. He has sent out prospectus which pictured in glowing language the land containing oil wells, etc. they—the company—pretended to own. Upon investigation there are no such lands, even—that is they do not own them, or they are worthless."

"Who investigated?" I was anxious to learn all I could, yet I understood very little of all I was told. One reason my lack of business knowledge, the other the fight in my mind to believe in Neil; my refusal in face of all I was told to believe he was really dishonest.

"I have—I did it for your sake. I was afraid things were not as they should be when I was here before. Very much afraid. I took pains to look up several of the advertised properties—and didn't find them as represented."

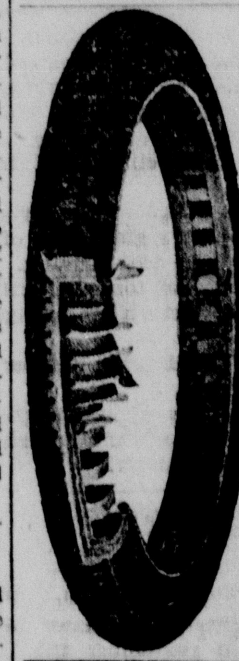

Then after a minute: "Powers too took pains to look Forbes up. I don't want to hurt you, but he did it at his wife's request."

To-morrow—Mrs. Powers Has Dropped Neil and Barbara From Her List.

MOVING PICTURE MEN TO FIGHT STATE CENSORSHIP

"The intimate article of dress known as the corset which the majority of women wear but know very little about"

Alice S. Cutler, M. D.

IN this pertinent way the well-known medical authority, Alice S. Cutler, M. D., describes the most important garment in the wardrobe of women.

"Buy your corset carefully," warns Dr. Cutler. "No one wants to be ill, and when women realize that the constant wearing of an ill-fitting corset helps to keep our hospitals open they will insist on being properly fitted to corsets instead of buying them hit or miss."

We unreservedly recommend Gossard Corsets, the original front-lacing corsets, as the complete expression of modern corsetry. Every Gossard Corset is hygienically correct. If properly fitted to the figure for which it was designed, and carefully adjusted each time it is worn, it will mould that

Wear Gossard CORSETS They Live In Front

figure to the ideal proportions of its type. It will give a priceless all-day comfort. It will safeguard the wearer against those bodily ailments that are often the result of improper corsetry. It will render a wearing service that alone is worth the price paid for the garment.

If possible, the new Spring and Summer Gossards are superior to those of the past season, which were generally acknowledged to be without equal in meeting the needs of active womanhood from the standpoint of comfort, hygiene, wear and figure improvement.

Our highly specialized fitted service reflects our sincere appreciation of the important relation a correctly fitted corset bears to your health, and to that perfect figure poise that gives the elusive charm of style.

THE NEW BIG-SIX

Beautiful in Design
Thoroughly Modern
Mechanically Right

The power-resources of the New Seven-Passenger Six are as notable as the beautiful bevel-edge body which so distinguishes its appearance. Its great motor provides two distinct power-ranges—a "touring range" for ordinary driving; an "emergency range" for extra speed or power. Yet with all its ability, this car is economical; for the motor pre-heats its fuel and gets the utmost out of it.

Notice, too, the fine-quality equipment. The silver-faced Warner speedometer, Walham clock, extension tonneau light and other high-class conveniences are good examples. Come in and see this new car.

PRINTERS' INK-PROPHYLACTIC.

Somewhere, some time, some one
made the sage observation that the ju-
dicial use of printers' ink might prove
as useful as medicine in the prevention
of communicable diseases.

If not statistically accurate it is cer-
tainly worthy of comment that public-
ity, directed toward education, has been
a prime factor and most useful ally in
bettering living conditions from a health
standpoint. It has been priceless in
sanitation education, for it first taught
the public the necessity of drainage and
sewerage; that flies and mosquitoes
were the chief carriers of several ever-
present communicable diseases, and it
has taught the public, or a great por-
tion of it, to insist on pure foods.

At first newspapers hesitated to touch
the subject of sanitation, pest houses,
flies and mosquitoes, because the editor
feared it was not news. Experience
proved there was no bigger element of
news anywhere than something that
concerned every one of his readers inti-
mately—the public health.

There can no longer be room for
doubt that every reader of a newspaper
and every good citizen is vitally inter-
ested in prolonging his chance for liv-
ing a greater number of years.

That is the reason today newspapers
have taken up the fight for the eradica-
tion of venereal diseases and are co-
operating with the United States Public
Health service in a nation-wide educa-
tional campaign, urging the adoption of
proper control legislation, the closing of
houses of prostitution, the segregation
and compulsory treatment of the dis-
eased until they are no longer a men-
ace to the public.

It is a new discussion for the press
and public, for until the drafting of
millions for the army revealed the ter-
rific prevalence of social diseases in
civil life the evils were secrets to every
one except the medical profession, and,
because statistics were not available,
physicians had only a vague idea of the
high prevalence.

The army experience was startling.
It convinced President Wilson, his cabi-
net and congress that false modesty
could no longer shield one of the great-
est dangers to America's health; for it
was realized then as now, that ignor-
ance and secrecy were largely respon-
sible for the condition, that exposure
and publicity would bring reform.

This is actually happening. A major-
ity of the states are treating venereal
diseases quite as openly and frankly as
an epidemic of smallpox, and quite as
effectively. And that is the only way.
The public must realize that the social
diseases are communicable maladies,
and must treat them as such, not as
crimes, even though they grow as a
rule out of immoral living. The fight
for their eradication is not a private af-
fair of the Public Health service, but
concerns every American vitally.

Cold spring weather is not helping to
make the reconstruction garden look
like the thrilling pages in the seed cat-
alogue.

OBITUARY.

JOSEPH B. CRAWFORD.

The following from the Clinton, Iowa,
Herald will be of interest to many Dix-
on people who will remember the de-
ceased, who left this city about 40 years
ago:

Joseph B. Crawford, one of Clinton's
oldest and most respected citizens passed
away Saturday afternoon at 4:30
o'clock after an illness dating back to
12 years ago, when he suffered a stroke
of paralysis. Although he had been an
invalid in a wheel chair for the past
seven years he was of a cheery and
kindly disposition. Saturday morning
Mr. Crawford read his paper and was
interested in all current events, but was
taken seriously ill in the afternoon and
soon passed away.

Joseph B. Crawford was born on a
farm in Medina county, Ohio, July 30,
1843, being at the time of his death 75
years of age. In 1852 he moved with
his parents, Mr. and Mrs. Samuel
Crawford to Dixon, Ill., where he re-
sided until the year after his marriage.
He was married to Miss Harriette E.
Ayres in Dixon, Ill., May 7, 1873, by
Rev. Oscar F. Ayres, father of Mrs.
Crawford; to this union was born one
child who died in infancy. Mr. Craw-
ford had a real estate and insurance
business for many years in Clinton, and
held the deepest respect of the people
of this city.

He was a member of Gen. N. B. Bak-
er Post, G. A. R., 88, having enlisted
August 9, 1862, in Co. A, 75th infantry,
Ill. volunteers and received his honor-
able discharge February 13, 1865. Mr.
Crawford was wounded during the Civil
war, his right arm being shot off and
he also was shot in the thigh; one bul-
let was never removed as it passed from
his side and lodged below his heart,
where it has remained for the past 55
years. Before he was wounded he had
returned from a hard battle without a
scar when the captain of his company
ordered him back as they were short
of men; deepest regret was felt by the
captain when he heard he was wounded.
Left to mourn his death are his wife

and one sister, Mrs. Rachel Cleveland,
85 years of age, who is unable to attend
the funeral.

Funeral services were held this after-
noon at 3 o'clock at the late home, 626
Eleventh avenue, with the Rev. Freder-
ick Burrell, pastor of St. John's Epis-
copal church officiating. Gen. N. B.
Baker Post, G. A. R. was in charge of
the services and members attended the
casket. Interment was in Springdale
cemetery.

Relatives from out of the city are
Mr. and Mrs. Wilbur Crawford of Dix-
on, Ill., Miss Emma J. Ayers, sister of
Mrs. Crawford, of Cedar Rapids, and a
niece, Miss Allen, of Omaha.

MRS. MARY McDERMOTT.

The funeral of Mrs. Mary McDermott,
who passed away Thursday afternoon
at the home of her son, George, in Mar-
ion township, was held Saturday morn-
ing at 9 o'clock at the home and at 10
o'clock at St. Patrick's church in Dix-
on, Requiem High Mass being sung by
Father Conley of Walton. Interment
was in Oakwood cemetery beside her
husband who passed away March 16,
1918. She is survived by the following
children: James of Montana; Mrs.
Frank Kessler, of Chicago; Mrs. Chris-
topher Garland, of Des Moines, Ia.;
Martin, Henry, George, Mrs. Rebecca
Garland and Albert, all of Marion, and
Mrs. John Devlin of Seattle, Wash.

Twenty-seven grandchildren and one
great-great grandchild, also survive.
With the exception of the last year of
her life with her daughter, Millie, in
Seattle. About two years ago she suf-
fered a fractured hip and after that
time was unable to walk. Her passing
was quiet and peaceful, as though in
natural slumber.

ond Sunday in May. Mr. Evans has
accepted a call to the First Presbyterian
church of Cambridge, Ohio, one of the
largest and best churches of the state.

BURGLARY INSURANCE WILL
BE HIGHER AFTER MAY 1

By Associated Press Leased Wire
Chicago, April 29.—Burglary insur-
ance rates are to be advanced on May
first, it was announced today, the raise
applying to banks and holdup risks and
on a number of mercantile classifica-
tions, but not on residence.

Accompanying the announcement
was the statement that the companies
had found this step necessary because of
the increase within a year of bank ro-
beries, payroll holdups and the robbery
of fur and silk stores.

STRIKING PHONE
OPERATORS BRING
ON MARTIAL LAW

Linton, Ind., Under the
Control of Militia
to Curb Mobs.

By Associated Press Leased Wire
Linton, Ind., April 29.—Martial law
was declared and put into effect here
shortly after 8 o'clock this morning as a
result of trouble attending a strike of
telephone operators employed by the
new Home Telephone Co. State troops
are patrolling the street, aided by lo-
cal police. No violence has occurred
since the mob, which formed late last
night, dispersed between 2 and 3 o'clock
this morning.

Martial law resulted from a demon-
stration in favor of about ten striking
telephone operators following a mass
meeting last night.

THOROUGH PROBE ORDERED

By Associated Press Leased Wire
Indianapolis, Ind., April 29.—Govern-
nor James P. Goodrich today ordered
state, county and city officials at Linton
to obtain the names of every person
taking part in the Linton telephone dis-
turbances last night and turn them over
to the federal authorities. The governor
said that the federal government is op-
erating the telephone company and the
circumstances connected with the
trouble should be placed before the
United States district court here.

By Associated Press Leased Wire
Indianapolis, Ind., April 29.—Two
companies of state militia one from
Terre Haute and one from Sullivan,
last night were ordered to Linton, Ind.,
where a mob broke in the doors and
windows of the telephone exchange fol-
lowing an indignation meeting resulting
from a strike of telephone operators
and subsequent use of strike breakers.

According to a message to Governor
Goodrich early this morning the mob
still surrounded the telephone building
but was being held off by six armed
men, within.

Shortly after midnight, Adjutant
General Harry B. Smith, accompanied
by Major Brandt C. Downey, of the
state militia left for Linton, to take
command of the troops. He carried
with him a reserve supply of ammuni-
tion.

The telephone operators at Linton
struck Thursday for higher wages and
recognition of their union. Eight girl
strike breakers were sent to Linton
from Indianapolis.

PICKING JURY IN
NEGRO CASE SLOW

(Continued from Page 1.)

fense for Lucas and Johnson. Attorney
Gannon asks each juror whether, if the
testimony should show that the third
man, who has not been apprehended by
the authorities and who is not on trial,
but who was indicted for murder and
accessory before the act together with
Lucas and Johnson, fired the fatal shot
which killed Bush, and that he should
prove that the two defendants on trial
while present, had no part in the killing
and did not aid nor abet in any way, the
juror would acquit the defendants.

States Attorney Edwards asks each
juror whether he would find the defend-
ants guilty should the state prove, be-
yond all reasonable doubt, that the two
defendants were present at the time of
the shooting, and aided or encouraged
the third man in the shooting of Bush,
even though it was not a bullet from
the gun of either defendant which killed
the victim.

The crowd in the court room had
thinned considerably today, although
the auditorium was dotted with inter-
ested spectators. The two defendants
wear an alert air, follow the examina-
tions closely, searching the faces of
prospective jurors as they are called up
and sworn to answer questions. They
consult with their attorney at some
length before jurors are accepted or re-
jected.

SENIORS ENTERTAINED—

The party given by the North Dixon
High school seniors last evening in
Kindergarten hall, was a most delight-
ful event. The guests included the
members of all the classes of the high
school and the alumni, while a goodly
company of parents were present in
the role of spectators and the faculty
members chaperoned. Kindergarten
hall never looked prettier. Lights
were shaded in the class colors, blue
and white, festoons of the same colors
were used, and toy balloons of every
color floated about the ceiling. A com-
mittee of boys from the class were re-
sponsible for the effective decorations.
The Marquette orchestra furnished a
program of excellent music for the eve-
ning's diversion, dancing. Refresh-
ments of ice cream and cake were
served by a committee from the class.

"COMMANDMENT PARTY"

The class of boys of the Presbyter-
ian Sunday school, taught by Mrs. E.
L. Staples, will enjoy a "command-
ment party" at her home from four to
six Wednesday afternoon. The party
is given and named in honor of the
completion of memorizing the "ten com-
mandments." A scramble supper will
be served the twelve boys who make up
the class membership.

AFTER-PLAY DANCE—

The Ro-Es-By club will give a dan-
cing party at the Armory hall, Friday
evening, May 2nd, after the Dixon
High school Senior class play, "Under
Cover," given at the opera house. The
Marquette orchestra will play for the
dancing which will continue from 11
until 2 a. m.

WAR MOTHERS' ATTENTION—

The members of the War Mothers'
Council are requested by the president
to attend in a body the funeral of the
late John Moss, soldier in the recent
war, to be held at 10 o'clock in the
chapel of the Jones Undertaking rooms
and at 10:30 at St. Patrick's Catholic
church.

HIKED FROM STERLING—

Miss Mary Rosbrook, in company
with three or four other nurses of the
Sterling hospital, hiked to the Seidom
Inn farm Friday and visited with Miss
Rosbrook's parents, Mr. and Mrs. Try-
on Rosbrook.

CHRISTIAN MISSIONARY—

Mrs. W. C. Stauffer will be hostess
at her home, 215 Lincoln way, Thurs-
day, May 1st, at 2:30 o'clock, to the
members of the Christian Missionary
society. All the members and their
friends are invited to be present.

UNITY GUILD—

A meeting of the Unity Guild of the
People's Church will be held at the
church Friday afternoon.

VISITED BROTHER—

Mrs. Lottie Horton has returned from
Kansas after a visit with her brother,
Attorney G. W. Holland, who was ser-

iously ill of pneumonia after an opera-
tion at the hospital at Hays, Kansas.
Attorney Holland is slowly improving.

RETURN TO BOSTON—

Mr. and Mrs. Shaw, who have been
visiting Mr. and Mrs. Edward Vaile,
have returned to their home in Boston.

WERE SUNDAY GUESTS—

Walter Taylor and daughter and Mrs.

Mayme Feeley, of Dixon, and J.
Katherine Goodman, of Chicago, who
entertained Sunday at the home
Mr. and Mrs. Tryon Rosbrook.

Mrs. H. W. Stevens spent Sun-
day with the family of her son, Roy M.
ler, of Rochelle. Her small grands-
Charles, accompanied her home for
week's visit in Dixon.

YOU CAN DO BETTER
AT

KEYES AHRENS FURNITURE CO.

"AUTOMATIC"
REFRIGERATORS

Food need no longer
be wasted or spoiled

Not an ounce of ice will be wasted if you have the
right kind of a refrigerator.

Up to a few years ago we did not know that it was
the fault of the refrigerator we had when the ice
melted rapidly, when food became moist and spoiled,
and when people were sometimes made ill because the
foods were tainted.

Now we know better. You will be thoroughly con-
vinced, we assure you, if you will take the trouble to
come to the store, that we have a refrigerator here
(the famous Automatic) that saves a great deal of
ice because of its eight protecting walls; that has a
constant, automatic circulation of pure, cold dry air,
so that foods cannot spoil.

You will see why food odors will not mix in this
refrigerator—your milk will never taste of onions,
etc. You will see and hear many things about how
the good refrigerator of today should be and is built.
And, you are always welcome here, as you know.

WILL ORGANIZE A COMMUNITY COUNCIL IN DIXON THURSDAY

**Allen D. Albert, Noted
Speaker, to Explain
Procedure.**

On Thursday, May 1, at 7:30 p. m., in the City Hall the representatives of every organization in Dixon will come together at an important meeting to which every man and woman interested in the future welfare of the community is invited.

The object of the meeting is to form in Dixon one of the first of the Community Councils of the State. No town with vision or with an eye to the future in utilizing the public spirit of its citizens, can fail to see the need for securing for community the same spirit of co-operation in peace time so strikingly achieved during the war. And a community council is the method by which such co-operation can be made permanent.

Early in March, one thousand representative citizens of Illinois, men and women, met in conference and decided to elect a temporary State Organization Committee to follow the example of such states as Massachusetts, California and North Carolina, and take steps to create a state-wide system of Community Councils that should save to the State and the communities themselves the spirit of getting together so remarkable and so productive of efficiency during the war.

Dixon is one of the first towns to co-operate with this State Organization Committee.

A large audience is expected at the meeting Thursday which will be addressed by Allen D. Albert, a speaker of national reputation who has been secured by the Community Councils of Illinois to visit the principal cities in the State and explain the method of forming Community Councils, their big usefulness to the community, and some of the things they may most readily do on organization.

Mr. Albert's most recent claim to public notice is the conspicuous service rendered by him to the government under the Commission on Training Camp Activities during the War. For this Commission, Mr. Albert visited every important city in the United States arousing the communities to their obligations and responsibilities to the soldiers, sailors and marines.

He is probably the highest paid community expert in the country. Over 500 cities in the United States, Canada and Cuba have called on him to consider their problems and point out the remedies, and he brings to this work for the Community Councils the benefit of this unique experience.

Asked to define a Community Council Mr. Albert said:

"A Community Council is the partnership of the permanent institutions of a community—the commercial organizations, the women's clubs, the men's clubs, bodies of organized labor, the benevolent institutions, the churches, fraternal educational and other organizations.

"Anybody can belong—large bodies like the Chamber of Commerce, or the Women's or Men's clubs, or individuals.

"You notice I say 'all' because no group of people can properly call themselves a Community Council unless every group is represented in its membership.

"With the heads of every organization in town meeting together regularly, there is opened up a wonderful field of usefulness impossible under the system now prevail of each organization working in its own little field.

"When your labor representative, your president of the Chamber of Commerce, the head of the Women's club, the leader of the foreign settlement, the chairman of Board of Education, representative from churches of all denominations, Parent-Teacher, any civic or other society come together regularly the community to which they belong may rest assured that everybody in town is going to benefit by the exchange of experience, knowledge and views.

"A Community Council gives the people the machinery for getting together for good causes without regard to political party, religion or social position.

111,179 Deaths in Army; Disease Most

By Associated Press Leased Wire

Washington April 29.—An official report from the surgeon general issued by the war department today gives the total number of deaths reported in the army during the war to date as 111,179. Of this total 56,639, or 51 per cent were from disease, 43 per cent in battle or from wounds received in battle, and 6 per cent from other injuries. Of the deaths from disease about 12,000 have occurred since hostilities ceased.

For the third successive week, the report said, the rate for new cases of disease in the expeditionary forces for the week ending April 10 marked a low record. Only 9422 men were admitted to the sick report as a result of disease "giving the remarkably low annual death rate of 3.80 per thousand."

During the seven day period ending April 18 the sick and wounded troops returned to the United States totaled 3174 bringing the grand total of sick and wounded returning during the war to 110,562. In hospitals abroad on the last date reported there were 44,172 sick from disease and 9428 from injury. The army medical service expects to bring back 18,000 of these men in May, 9000 in June and 4000 in July.

Activities in Amboy

ASKS FARMERS TO TURN IN ACCT. BOOKS

Assistant Soil Advisor D. E. Warren has sent out a request for all members of the Lee County Soil Association having farm account books to send them to his office as soon as possible to be summarized. The books will then be returned to the farmer holding membership in the organization and a new book for the coming year enclosed.

A small charge will be made to farmers not holding membership in the association for the account books for the present. It has been found that the account book is a great help to the farmer from several standpoints, one aid being in the filing of income tax schedules.

CONSIDERABLE WORK ON AMBOY RACE TRACK

The race track at the Lee County fair grounds near Amboy is being put into shape for the fair this fall. A force of men was put to work last week resurfacing the track and putting it in readiness for the racing events. An eight-inch dirt surface is being placed around the entire course and it will require several days before this work is completed.

The buildings on the fair grounds have been inspected and found to be in first class condition. This will do away with any expense for repairs on the buildings and the committee is making an effort to better the condition of the track by raising the course for the fall races.

STATE LEADER WILL EXPLAIN CLUB PLANS

James H. Greene, leader in junior extension work for the state department of agriculture will be in Amboy on Tuesday, May 6, at which time he will meet with the executive committee of the Lee County Soil Improvement Association at the office of Advisor L. S. Griffith. At this time he will explain plans for the extending the activities of boys' and girls' club work in Lee county.

Activity along this line has been pronounced by many counties of the state and has been very successful. In all cases, there is ample field for an active organization in this county and Mr. Greene will come to this meeting to explain the plans and purposes of the work.

COUNCIL MAY BUY NEW FIRE TRUCK

The new city council will meet next Tuesday evening at the city hall for the purpose of organization, at which time various committees will be named and several matters of importance will be open for discussion.

The matter of providing the town of Amboy with better fire protection in the purchase of a motor fire truck will be one of the subjects to be discussed. For some weeks past the council has been considering the matter and it is understood that several fire truck firms have submitted plans for equipment. Another matter of importance to be introduced at the meeting next Tuesday will be the proposed improvement of the former

MORE R. R. WORKERS BROUGHT TO AMBOY

Several bunk cars containing laborers have arrived in the Illinois Central yards the last few days to take up the improvement of the south switch yards. The work of laying steel on the fill made last summer has been started and it is expected that this work will continue through the summer until the improvement is completed.

BIG ELECTRIC LAMPS ILLUMINATE R. R. YDS.

The Illinois Central yesterday installed high power electric lights on the shops, which at night illuminate a large part of the yards. The lights have been placed on trial and since their installation have proven very successful. If satisfactory, it is probable that more of the same type of lights will be installed.

HOLDS FARM MEETINGS.

County Advisor L. S. Griffith is holding meetings in the various townships of the county this week. Some of the meetings were postponed on account of the weather and road conditions. Providing that the weather conforms, meetings will be held in Harmon on Thursday and in Ashton on Friday of this week.

R. A. M. SPECIAL.

A special meeting of the chapter of Royal Arch Masons has been called for this evening in the Masonic hall. Following the regular business session a class of candidates will be initiated and the ladies of the Eastern Star will serve refreshments.

Miss Jennie Handwork is caring for Mrs. John Ulrich who is ill at her home in Lee Center.

W. J. Fenton is improving his residence on Mason street by new hardwood floors and other alterations.

Hundredth Birthday I. O. O. F. Honored

Over two hundred people were in attendance last evening at the entertainment given by the three local branches of the I. O. O. F. lodge in celebration of the hundredth anniversary of the establishing of Odd Fellowship in America.

With J. O. Shaulis, Noble Grand of the subordinate lodge presiding, an interesting program was given. The history of the I. O. O. F. lodge in nation and state and the benefits accruing from membership in the organization were told in interesting talks given by

F. M. Derby, Attorney W. G. Kent, and Judge John Crabtree. The history in war of the lodge was given by Attorney A. Brooks and the history of the Dixon lodge was given by Charles Hey. Waldo Ward had as his topic, "Odd Fellowship." These proved of great interest, especially to those who were not members of the lodge, who learned much that was new to them of the work of the lodge.

The program began with the singing of America and closed with the singing of The Star-Spangled Banner and benediction. The invocation was given by Rev. S. A. Zimbeck and the reading of the proclamation was by J. W. Suggett. Excellent vocal numbers were given

by Byron Brooks and the Y. M. C. A. quartet, Mrs. Burnham, Mrs. Adolph Eichler, Miss Hasselburg, and Miss White gave delightful readings. Mrs. O. B. Anderson, at one time connected with an I. O. O. F. home, told of the Old Folks and Orphans' homes in a delightful manner. Mrs. W. G. Kent presided at the piano during the evening.

Refreshments were served in the banquet hall by a committee from the subordinate lodge, L. F. Redfern, chairman; A. L. Kaylor, Lloyd Spencer, T. B. Altendorfer, and George Walker.

PRINTERS' INK-PROPHYLACTIC.

Somewhere, some time, some one
made the sage observation that the ju-
dicial use of printers' ink might prove
as useful as medicine in the prevention
of communicable diseases.

If not statistically accurate it is cer-
tainly worthy of comment that public-
ity, directed toward education, has been
a prime factor and most useful ally in
bettering living conditions from a health
standpoint. It has been priceless in
sanitation education, for it first taught
the public the necessity of drainage and
sewerage; that flies and mosquitoes
were the chief carriers of several ever-
present communicable diseases, and it
has taught the public, or a great por-
tion of it, to insist on pure foods.

At first newspapers hesitated to touch
the subject of sanitation, pest houses,
flies and mosquitoes, because the editor
feared it was not news. Experiment
proved there was no bigger element of
news anywhere than something that
concerned every one of his readers inti-
mately—the public health.

There can no longer be room for
doubt that every reader of a newspaper
and every good citizen is vitally inter-
ested in prolonging his chance for liv-
ing a greater number of years.

That is the reason today newspapers
have taken up the fight for the eradica-
tion of venereal diseases and are co-
operating with the United States Public
Health service in a nation-wide educa-
tional campaign, urging the adoption of
proper control legislation, the closing of
houses of prostitution, the segregation
and compulsory treatment of the dis-
eased until they are no longer a men-
ace to the public.

It is a new discussion for the press
and public, for until the drafting of
millions for the army revealed the ter-
rific prevalence of social diseases in
civil life the evils were secrets to every
one except the medical profession, and,
because statistics were not available,
physicians had only a vague idea of the
high prevalence.

The army experience was startling.
It convinced President Wilson, his cabi-
net and congress that false modesty
could no longer shield one of the great-
est dangers to America's health; for it
was realized then as now, that ignor-
ance and secrecy were largely respon-
sible for the condition, that exposure
and publicity would bring reform.

This is actually happening. A major-
ity of the states are treating venereal
diseases quite as openly and frankly as
an epidemic of smallpox, and quite as
effectively. And that is the only way.
The public must realize that the social
diseases are communicable maladies,
and must treat them as such, not as
crimes, even though they grow as a
rule out of immoral living. The fight
for their eradication is not a private af-
fair of the Public Health service, but
concerns every American vitally.

Cold spring weather is not helping to
make the reconstruction garden look
like the thrilling pages in the seed cat-
alogue.

eight months of strenuous effort, the

OBITUARY.

JOSEPH B. CRAWFORD.

The following from the Clinton, Iowa,
Herald will be of interest to many Dixon
people who will remember the de-
ceased, who left this city about 40 years
ago:

Joseph B. Crawford, one of Clinton's
oldest and most respected citizens passed
away Saturday afternoon at 4:30
o'clock after an illness dating back to
12 years ago, when he suffered a stroke
of paralysis. Although he had been an
invalid in a wheel chair for the past
seven years he was of a cheery and
kindly disposition. Saturday morning
Mr. Crawford read his paper and was
interested in all current events, but was
taken seriously ill in the afternoon and
soon passed away.

Joseph B. Crawford was born on a
farm in Medina county, Ohio, July 30,
1843, being at the time of his death 75
years of age. In 1852 he moved with
his parents, Mr. and Mrs. Samuel
Crawford to Dixon, Ill., where he re-
sided until the year after his marriage.
He was married to Miss Harriette
Ayres in Dixon, Ill., May 7, 1873, by
Rev. Oscar F. Ayres, father of Mrs.
Crawford; to this union was born one
child who died in infancy. Mr. Craw-
ford had a real estate and insurance
business for many years in Clinton, and
held the deepest respect of the people
of this city.

He was a member of Gen. N. B. Bak-
er Post, G. A. R., 88, having enlisted
August 9, 1862, in Co. A, 75th infantry,
Ill. volunteers and received his honor-
able discharge February 13, 1865. Mr.
Crawford was wounded during the Civil
war, his right arm being shot off and
he also was shot in the thigh; one bul-
let was never removed as it passed from
his side and lodged below his heart,
where it has remained for the past 55
years. Before he was wounded he had
returned from a hard battle without a
scar when the captain of his company
ordered him back as they were short
of men; deepest regret was felt by the
captain when he heard he was wounded.
Left to mourn his death are his wife

and one sister, Mrs. Rachel Cleveland,
85 years of age, who is unable to attend
the funeral.

Funeral services were held this after-
noon at 3 o'clock at the late home, 626
Eleventh avenue, with the Rev. Freder-
ick Burrell, pastor of St. John's Epis-
copal church officiating. Gen. N. B.
Baker Post, G. A. R., was in charge of
the services and members attended the
casket. Interment was in Springdale
cemetery.

Relations from out of the city are
Mr. and Mrs. Wilbur Crawford of Dix-
on, Ill., Miss Emma J. Ayers, sister of
Mrs. Crawford, of Cedar Rapids, and a
niece, Miss Allen, of Omaha.

MRS. MARY McDERMOTT.

The funeral of Mrs. Mary McDermott,
who passed away Thursday afternoon
at the home of her son, George, in Mar-
ion township, was held Saturday morn-
ing at 9 o'clock at the home and at 10
o'clock at St. Patrick's church in Dix-
on, Requiem High Mass being sung by
Father Conley of Walton. Interment
was in Oakwood cemetery beside her
husband who passed away March 16,
1898. She is survived by the following
children: James of Montana; Mrs.
Frank Kessler, of Chicago; Mrs. Chris-
topher Garland, of Des Moines, Ia.;
Martin, Henry, George, Mrs. Rebecca
Garland and Albert, all of Marion, and
Mrs. John Devlin of Seattle, Wash.
Twenty-seven grandchildren, twenty-
four great grandchildren and one
great-great grandchild, also survive.
With the exception of the last year the
deceased spent the last fifteen years of
her life with her daughter, Millie, in
Seattle. About two years ago she suf-
fered a fractured hip and after that
time was unable to walk. Her passing
was quiet, and peaceful, as though in
natural slumber.

Accompanying the announcement
was the statement that the companies
had found this step necessary because of
the increase within a year of bank rob-
beries, payroll holdups and the robbery
of fur and silk stores.

STRIKING PHONE
OPERATORS BRING
ON MARTIAL LAW

Linton, Ind., Under the
Control of Militia
to Curb Mobs.

By Associated Press Leased Wire

Linton, Ind., April 29.—Martial law
was declared and put into effect here
shortly after 8 o'clock this morning as a
result of trouble attending a strike of
telephone operators employed by the
new Home Telephone Co. State troops
are patrolling the street, aided by lo-
cal police. No violence has occurred
since the mob, which formed late last
night, dispersed between 2 and 3 o'clock
this morning.

Martial law resulted from a demon-
stration in favor of about ten striking
telephone operators following a mass
meeting last night.

THOROUGH PROBE ORDERED

By Associated Press Leased Wire

Indianapolis, Ind., April 29.—Govern-
or James P. Goodrich today ordered
state, county and city officials at Linton
to obtain the names of every person
taking part in the Linton telephone dis-
turbances last night and turn them over
to the federal authorities. The governor
said that the federal government is op-
erating the telephone company and the
circumstances connected with the
trouble should be placed before the
United States district court here.

By Associated Press Leased Wire

Indianapolis, Ind., April 29.—Two
companies of state militia one from
Terre Haute and one from Sullivan,
last night were ordered to Linton, Ind.,
where a mob broke in the doors and
windows of the telephone exchange fol-
lowing an indignation meeting resulting
from a strike of telephone operators
and subsequent use of strike breakers.
According to a message to Governor
Goodrich early this morning the mob
still surrounded the telephone building
but was being held off by six armed
men, within.

Shortly after midnight, Adjutant
General Harry B. Smith, accompanied
by Major Brandt C. Downey, of the
state militia left for Linton, to take
command of the troops. He carried
with him a reserve supply of ammuni-
tion.

The telephone operators at Linton
struck Thursday for higher wages and
recognition of their union. Eight girl
strike breakers were sent to Linton
from Indianapolis.

PICKING JURY IN
NEGRO CASE SLOW

(Continued from Page 1.)

fense for Lucas and Johnson. Attorney
Gannon asks each juror whether, if the
testimony should show that the third
man, who has not been apprehended by
the authorities and who is not on trial,
but who was indicted for murder and
accessory before the act together with
Lucas and Johnson, fired the fatal shot
which killed Bush, and that he should
prove that the two defendants on trial
while present, had no part in the killing
and did not aid nor abet in any way, the
juror would acquit the defendants.

States Attorney Edwards asks each
juror whether he would find the defend-
ants guilty should the state prove, be-
yond all reasonable doubt, that the two
defendants were present at the time of
the shooting, and aided or encouraged
the third man in the shooting of Bush,
even though it was not a bullet from
the gun of either defendant which killed
the victim.

The crowd in the court room had
thinned considerably today, although
the auditorium was dotted with inter-
ested spectators. The two defendants
wear an alert air, follow the examina-
tions closely, searching the faces of
prospective jurors as they are called up
and sworn to answer questions. They
consult with their attorney at some
length before jurors are accepted or re-
jected.

SENIORS ENTERTAINED—

The party given by the North Dixon
High school seniors last evening in
Kindergarten hall, was a most delight-
ful event. The guests included the
members of all the classes of the high
school and the alumni, while a goodly
company of parents were present in
the role of spectators and the faculty
members chaperoned. Kindergarten
hall never looked prettier. Lights
were shaded in the class colors, blue
and white, festoons of the same colors
were used, and toy balloons of every
color floated about the ceiling. A com-
mittee of boys from the class were re-
sponsible for the effective decorations.
The Marquette orchestra furnished a
program of excellent music for the eve-
ning's diversion, dancing. Refresh-
ments of ice cream and cake were
served by a committee from the class.

"COMMANDMENT PARTY"—

The class of boys of the Presbyter-
ian Sunday school, taught by Mrs. E.
L. Staples, will enjoy a "command-
ment party" at her home from four to
six Wednesday afternoon. The party
is given and named in honor of the
completion of memorizing the "ten com-
mandments." A scramble supper will
be served the twelve boys who make up
the class membership.

AFTER-PLAY DANCE—

The Ro-Es-By club will give a dan-
cing party at the Armory hall, Friday
evening, May 2nd, after the Dixon
High school Senior class play, "Under
Cover," given at the opera house. The
Marquette orchestra will play for the
dancing which will continue from 11
until 2 a. m.

WAR MOTHERS, ATTENTION—

The members of the War Mothers'
Council are requested by the president
to attend in a body the funeral of the
late John Moss, soldier in the recent
war, to be held at 10 o'clock in the
chapel of the Jones Undertaking rooms
and at 10:30 at St. Patrick's Catholic
church.

HIKED FROM STERLING—

Miss Mary Rosbrook, in company
with three or four other nurses of the
Sterling hospital, hiked to the Seidman
Inn farm Friday and visited with Miss
Rosbrook's parents, Mr. and Mrs. Try-
on Rosbrook.

CHRISTIAN MISSIONARY—

Mrs. W. C. Stauffer will be hostess
at her home, 215 Lincoln Way, Thurs-
day, May 1st, at 2:30 o'clock, to the
members of the Christian Missionary
society. All the members and their
friends are invited to be present.

UNITY GUILD—

A meeting of the Unity Guild of the
People's Church will be held at the
church Friday afternoon.

VISITED BROTHER—

Mrs. Lottie Horton has returned from
Kansas after a visit with her brother,
Attorney G. W. Holland, who was ser-

iously ill of pneumonia after an opera-
tion at the hospital at Hays, Kansas.
Attorney Holland is slowly improving.

RETURN TO BOSTON—

Mr. and Mrs. Shaw, who have been
visiting Mr. and Mrs. Edward Vaile,
have returned to their home in Boston.

WERE SUNDAY GUESTS—

Walter Taylor and daughter and Mrs.

Mayme Feeley, of Dixon, and
Katherine Goodman, of Chicago, w
entertained Sunday at the home
Mr. and Mrs. Tryon Rosbrook.

"AUTOMATIC"
REFRIGERATORS

Food need no longer
be wasted or spoiled

Not an ounce of ice will be wasted if you have the
right kind of a refrigerator.

Up to a few years ago we did not know that it was
the fault of the refrigerator we had when the ice
melted rapidly, when food became moist and spoiled,
and when people were sometimes made ill because the
foods were tainted.

Now we know better. You will be thoroughly con-
vinced, we assure you, if you will take the trouble to
come to the store, that we have a refrigerator here
(the famous Automatic) that saves a great deal of
ice because of its eight protecting walls; that has a
constant, automatic circulation of pure, cold dry air,
so that foods cannot spoil.

You will see why food odors will not mix in this
refrigerator—your milk will never taste of onions,
etc. You will see and hear many things about how
the good refrigerator of today should be and is built.
And, you are always welcome here, as you know.

WILL ORGANIZE A COMMUNITY COUNCIL IN DIXON THURSDAY

**Allen D. Albert, Noted
Speaker, to Explain
Procedure.**

On Thursday, May 1, at 7:30 p. m., in the City Hall the representatives of every organization in Dixon will come together at an important meeting to which every man and woman interested in the future welfare of the community is invited.

The object of the meeting is to form in Dixon one of the first of the Community Councils of the State. No town with vision or with an eye to the future in utilizing the public spirit of its citizens, can fail to see the need for securing for community the same spirit of co-operation in peace time so strikingly achieved during the war. And a community council is the method by which such co-operation can be made permanent.

Early in March, one thousand representative citizens of Illinois, men and women, met in conference and decided to elect a temporary State Organization Committee to follow the example of such states as Massachusetts, California and North Carolina, and take steps to create a state-wide system of Community Councils that should save to the State and the communities themselves the spirit of getting together so remarkable and so productive of efficiency during the war.

Dixon is one of the first towns to co-operate with this State Organization Committee.

A large audience is expected at the meeting Thursday which will be addressed by Allen D. Albert, a speaker of national reputation who has been secured by the Community Councils of Illinois to visit the principal cities in the State and explain the method of forming Community Councils, their big usefulness to the community, and some of the things they may most readily do on organization.

Mr. Albert's most recent claim to public notice is the conspicuous service rendered by him to the government under the Commission on Training Camp Activities during the War. For this Commission, Mr. Albert visited every important city in the United States arousing the communities to their obligations and responsibilities to the soldiers, sailors and marines.

He is probably the highest paid community expert in the country. Over 500 cities in the United States, Canada and Cuba have called on him to consider their problems and point out the remedies, and he brings to this work for the Community Councils the benefit of this unique experience.

Asked to define a Community Council Mr. Albert said:

"A Community Council is the partnership of the permanent institutions of a community—the commercial organizations, the women's clubs, the men's clubs, bodies of organized labor, the benevolent institutions, the churches, fraternal educational and other organizations.

"Anybody can belong—large bodies like the Chamber of Commerce, or the Women's or Men's clubs, or individuals.

"You notice I say 'all' because no group of people can properly call themselves a Community Council unless every group is represented in its membership.

"With the heads of every organization in town meeting together regularly, there is opened up a wonderful field of usefulness impossible under the system now prevail of each organization working in its own little field.

"When your labor representative, your president of the Chamber of Commerce, the head of the Women's club, the leader of the foreign settlement, the chairman of Board of Education, representative from churches of all denominations, Parent-Teacher, any civic or other society come together regularly the community to which they belong may rest assured that everybody in town is going to benefit by the exchange of experience, knowledge and views.

"A Community Council gives the people

the machinery for getting together for good causes without regard to political party, religion or social position.

111,179 Deaths in Army; Disease Most

By Associated Press Leased Wire
Washington, April 29.—An official report from the surgeon general issued by the war department today gives the total number of deaths reported in the army during the war to date as 111,179. Of this total 56,639, or 51 per cent were from disease, 43 per cent in battle or from wounds received in battle, and 6 per cent from other injuries. Of the deaths from disease about 12,000 have occurred since hostilities ceased.

For the third successive week, the report said, the rate for new cases of disease in the expeditionary forces for the week ending April 10 marked a low record. Only 9422 men were admitted to the sick report as a result of disease "giving the remarkably low annual death rate of 3.80 per thousand."

During the seven day period ending April 18 the sick and wounded troops returned to the United States totaled 3174 bringing the grand total of sick and wounded returning during the war to 110,562. In hospitals abroad on the last date reported there were 44,172 sick from disease and 9428 from injury. The army medical service expects to bring back 18,000 of these men in May, 9000 in June and 4000 in July.

Activities in Amboy

ASKS FARMERS TO TURN IN ACCT. BOOKS

Assistant Soil Advisor D. E. Warren has sent out a request for all members of the Lee County Soil Association having farm account books to send them to his office as soon as possible to be summarized. The books will then be returned to the farmer holding membership in the organization and a new book for the coming year enclosed.

A small charge will be made to farmers not holding membership in the association for the account books for the present. It has been found that the account book is a great help to the farmer from several standpoints, one aid being in the filing of income tax schedules.

CONSIDERABLE WORK ON AMBOY RACE TRACK

The race track at the Lee County fair grounds near Amboy is being put into shape for the fair this fall. A force of men was put to work last week resurfacing the track and putting it in readiness for the racing events. An eight-inch dirt surface is being placed around the entire course and it will require several days before this work is completed.

The buildings on the fair grounds have been inspected and found to be in first class condition. This will do away with any expense for repairs on the buildings and the committee is making an effort to better the condition of the track by raising the course for the fall races.

STATE LEADER WILL EXPLAIN CLUB PLANS

James H. Greene, leader in junior extension work for the state department of agriculture will be in Amboy on Tuesday, May 6, at which time he will meet with the executive committee of the Lee County Soil Improvement Association at the office of Advisor L. S. Griffith. At this time he will explain plans for the extending the activities of boys' and girls' club work in Lee county.

Activity along this line has been pronounced by many counties of the state and has been very successful in all cases. There is ample field for an active organization in this county and Mr. Greene will come to this meeting to explain the plans and purposes of the work.

COUNCIL MAY BUY NEW FIRE TRUCK

The new city council will meet next Tuesday evening at the city hall for the purpose of organization, at which time various committees will be named and several matters of importance will be open for discussion.

The matter of providing the town of Amboy with better fire protection in the purchase of a motor fire truck will be one of the subjects to be discussed. For some weeks past the council has been considering the matter and it is understood that several fire truck firms have submitted plans for equipment. Another matter of importance to be introduced at the meeting next Tuesday will be the proposed improvement of the former

MORE R. R. WORKERS BROUGHT TO AMBOY

Several bunk cars containing laborers have arrived in the Illinois Central yards the last few days to take up the improvement of the south switch yards. The work of laying steel on the fill made last summer has been started and it is expected that this work will continue through the summer until the improvement is completed.

BIG ELECTRIC LAMPS ILLUMINATE R. R. YDS.

The Illinois Central yesterday installed high power electric lights on the shops, which at night illuminate a large part of the yards. The lights have been placed on trial and since their installation have proven very successful. If satisfactory, it is probable that more of the same type of lights will be installed.

HOLDS FARM MEETINGS.

County Advisor L. S. Griffith is holding meetings in the various townships of the county this week. Some of the meetings were postponed on account of the weather and road conditions. Providing that the weather conforms, meetings will be held in Harmon on Thursday and in Ashton on Friday of this week.

R. A. M. SPECIAL.

A special meeting of the chapter of Royal Arch Masons has been called for this evening in the Masonic hall. Following the regular business session a class of candidates will be initiated and the ladies of the Eastern Star will serve refreshments.

Hundredth Birthday I. O. O. F. Honored

Over two hundred people were in attendance last evening at the entertainment given by the three local branches of the I. O. O. F. lodge in celebration of the hundredth anniversary of the establishing of Odd Fellowship in America.

With J. O. Shaulis, Noble Grand of the subordinate lodge presiding, an interesting program was given. The history of the I. O. O. F. lodge in nation and state and the benefits accruing from membership in the organization were told in interesting talks given by

F. M. DeJoy, Attorney W. G. Kent, and Judge John Crabtree. The history in war of the lodge was given by Attorney. A. Brooks and the history of the Dixon lodge was given by Charles Hey. Waldo Ward had as his topic, "Odd Fellowship." These proved of great interest, especially to those who were not members of the lodge, who learned much that was new to them of the work of the lodge.

The program began with the singing of America and closed with the singing of The Star-Spangled Banner and benediction. The invocation was given by Rev. S. A. Zimbeck and the reading of the proclamation was by J. W. Suggett. Excellent vocal numbers were given

by Byron Brooks and the Y. M. C. A. quartet. Mrs. Burnham, Mrs. Adolph Elchler, Miss Hasselburg, and Miss White gave delightful readings. Mrs. O. B. Anderson, at one time connected with an I. O. O. F. home, told of the Old Folks and Orphans' homes in a delightful manner. Mrs. W. G. Kent presided at the piano during the evening.

Refreshments were served in the banquet hall by a committee from the subordinate lodge, L. F. Redfern, chairman; A. L. Kaylor, Lloyd Spencer, T. B. Altenderfer, and George Walker.

U. S. WANTS TO KNOW WHAT NATIONS GIVE SUPPORT TO MEXICO

May Make Probe to Get Data on Opposition to Monroe Pact.

By Associated Press Leased Wire
Washington, D. C., April 29.—Unusual interest was manifested today in official circles as to the identity of the "government friendly to Mexico" that have requested the Mexican foreign office to express an opinion on the recognition of the Monroe doctrine as announced in official dispatches from Mexico City. The publication of the signatories to the league of nations covenant and the names of those countries invited to join the league caused officials to wonder which countries had made inquiries of the Carranza government on this matter. It was intimated in official circles that diplomatic investigations might be made to ascertain the identities of the nations referred to in the Mexican official statement.

Officials pointed out that Argentina, Chile, Salvador, Colombia, Paraguay and Venezuela were the only Latin American countries that did not break with Germany during the war and it was said that the "governments friendly to Mexico" mentioned by the Mexican foreign office might be among these.

It is possible, according to a high official, that Costa Rica as yet unrecognized by the United States and not invited to join the league of nations made the inquiry.

Mexico's announcement of refusal to recognize the Monroe doctrine, it was stated by a high official was made after she had learned definitely she was not to be invited to become a member of the league of nations.

VANSANT TOOK CHAIR DESPITE CONTEST CASE

Despite the court proceedings brought by J. P. Overholser contesting N. G. Van Sant's right to assume the office of mayor of Sterling that gentleman yesterday took the oath of office and assisted in the organization of the new council. However, Mr. Van Sant said he realized that he might have to step down in a few days, and added that he would do all in his power to have the question quickly decided. The assignments of the portfolios of the council:

Accounts and Finance—M. E. Wilger.
Health and Safety—W. J. Moore.
Streets and Alleys—J. C. Meister.
Public Property—Theodore Trouth.
City Officials.
Appointments made by the new council were:
City Clerk—Harold E. Ward.
City Attorney—P. H. Ward.
City Treasurer—Harry H. Over.
Chief of Police—John G. Haglock.
Chief of Fire Department—William D. Boehm.
City Health Officer—D. S. S. Kehr.

William Graves, who is a bookkeeper at Camp Grant, spent Sunday with his parents, Mr. and Mrs. George Graves of Route 6.

Commencement invitations should be ordered early. Teachers and pupils call at the Evening Telegraph office and see samples.

ODDS AND ENDS

AURORA—Plans for the erection of an office building eight or ten stories in height to cost about \$250,000 have been made by a development association. The building will occupy the corner opposite Hotel Aurora.

GENEVA—Miss Nettie Jesdonski, 17 years of age, has warned authorities that she will go on a hunger strike if placed in the county jail here to await her trial on the charge of larceny.

ROCKFORD—On a charge of illegally piping gas into his house by means of a hose after his gas meter was removed, William Lucas was bound over to the grand jury under \$15,000 bail. It is charged he had free gas for a year.

ROCK ISLAND—Arthur Honeywell, for three years a member of the executive board of the Tri-City Federation of Labor, has gone to Detroit to become international secretary of the Maintenance of Way Employees' Union of North America.

AURORA—Milk will drop from 14 to 13 cents a quart here on May 1 as the result of lower prices to the producer, it is announced by milk dealers.

ROCKFORD—Fifty thousand dollars has been raised in an intensive campaign for St. Thomas High School here through the efforts of Bishop Muldoon of the Rockford diocese.

MT. MORRIS—H. P. Flint of this city was elected president of the Greek letter fraternity Tau Kappa Epsilon at Beloit college.

ROCKFORD—Rockford honored the late Col. Theodore Roosevelt and soldiers and sailors who gave their lives in the war by planting two trees in Mississippi park. The Boy Scouts had charge of the service.

EAST MOLINE—The corner stone of the new Hellenic Orthodox church here was laid with an impressive ceremony. The church will cost \$45,000 when completed. Rev. Father Kostopoulos will be the pastor.

ROCKFORD—Rev. A. J. Soldan, for nineteen months camp pastor at Camp Grant, has accepted a call to the University Lutheran church at Madison, Wis.

DIXON RAILROAD MEN WITH "13TH" REACH NEW YORK

(Continued from Page 1)

drive in the Argonne was at its height, the Chicago railroad men moved 103 trainloads of men, ammunition, ordnance, and supplies to the front lines within twenty-four hours.

The 13th, proud of its record, proud of the fact that it was the first American engineering regiment in France and the first American regiment of any kind to get under shell fire, reached New York Monday p. m. on the surrendered Austrian liner Belvedere.

Because of the tremendous congestion of ships at piers in this port the vessel was compelled to dock at a pier seldom used for unloading troops, and inadequate facilities resulted in the railroad men getting a late start for Camp Mills, where they are to be quartered pending their removal to Camps Grant, Custer, Sherman, Dix and Upton.

Thirteen Go to Russia
Except for the men who died or were wounded in France and thirteen who are now on their way to Russia under command of Lieut. "Deacon" Warren the 13th came back complete. The thirteen who are en route to a Russian port all volunteered for further service.

There was one death on the Belvedere last night. Private Grant Cook of Clinton, Ia., a member of the 13th, died of pneumonia.

The 13th came home with its band, led by Irvin C. Bennett of Savannah, Ill., formerly a member of the Great Lakes band. As the vessel came opposite the Statue of Liberty the band swung slowly into "The Star Spangled Banner," and every fighting Yank aboard the ship came to salute. It was a touching ceremony which no other returning troops had thought to perform. The ship docked with the band playing the "Marseillaise."

From All Branches

The personnel of the regiment is made up from all branches of the railroad service—superintendents, trainmasters, engineers, conductors, brakemen, switchmen, yardmasters, section men, engineers maintenance of way, etc. Practically every state served by the systems mentioned, is represented in this contingent.

The men had their first training at the Municipal Pier, Chicago, and were one of the first to go across, leaving in July, 1917. The first battalion handled on the liner "St. Louis" was attacked by U-boats, but due to her speed escaped unharm. They paraded through London, being reviewed by King George and other dignitaries of the British government, and when these troops marched down Piccadilly, it was the first time in centuries that a flag other than that designating possessions of the British empire, had been carried through the streets of London followed by armed men.

Shortly after arrival in France, the regiment was assigned to duties on the French portion of the front handling the military railways in that section. It was the first regiment to go into active service on that line, and they served continuously until the end of the war. While railroad men took a very conspicuous part in the war in all branches of the service, there was no other contingent composed entirely of rail-

road men who preserved their organization throughout the entire war.

Plan Big Reception

Plans are now on foot to let every railroad employee in Chicago that can be spared form his post, see the regiment when they parade there. Railroad employees throughout the country that can be spared from their duties will try to be in Chicago on the day of the arrival of the regiment and give expression to their patriotism and appreciation of the work done in the war by railroad men generally. It is safe to say that Chicago will be the "Mecca" for railroad men and for the families of the men returning on the day that the regiment reaches "The Windy City."

Yanks Lower German Banners in Coblenz

By Associated Press Leased Wire
Coblenz, Monday, April 28.—(Delayed)—Uplifted in spirit by prospects of peace and newspaper reports that the German peace delegates had passed Cologne enroute to Versailles, five Coblenz civilians today hoisted German flags. The colors fluttered from their staffs only a short time, all being lowered by the military police, excepting in one case, almost as soon as they appeared. A crowd of 200 doughboys on leave assembled in the street near a downtown building where a large German flag was flying but a military policeman relieved the situation by hauling down the flag himself.

Army regulations prohibit the flying of German colors except by special permission, which has been granted upon only one occasion since the Americans came. That was in January when the burgomaster of Coblenz died.

Reports from the eastern edge of the bridgehead across the Rhine state that in the neutral zone opposite Coblenz there were German flags flying over most of the houses and the enemy colors were displayed in all villages as far as the outposts could see with glasses. It is indicated that the Germans believe peace soon will be signed and the suspense which has prevailed since the armistice, will be broken.

Miss Tina Ortgiesen, of Nelson, was a guest in Dixon Sunday with friends.

AMUSEMENTS

DIXON OPERA HOUSE.

Mr. Chas. P. Yale will again prove to the theater going public that his newest musical comedy triumph. "The Honey Moon Limited" is really the classiest offering of the season. "The Honey Moon Limited" comes to the Dixon opera house Saturday, May 3, with the original cast and production, including Miss Evelyn Weaver, upon whom the stellar part falls. Miss Weaver sang the principal role in "Katinka" last season and is a musical comedy favorite of real renown.

The wholesome and wonderfully clean offerings which have characterized Mr. Yale's other production, "The Red Rose" and "Pretty Baby," are adhered to in "The Honey Moon Limited," his latest piece. There is a musical setting far above the average, packed with refreshing comedy, dainty love episodes, pretty girls stunningly gowned listing tunes of the whistling variety, a maze of whirling dancers and carefully trained singers. Unlike most musical comedies, "The Honey Moon Limited" contains a real plot, the book being written by Frank Cummings. The lyrics were composed by Carl Haller. A company of 35 entertainers include in addition to Miss Weaver, Billie Ballus, Frank Cummings, Ocie Hamilton, Tom Hays, Ben Harris together with a large chorus, including a pony ballet. All together "The Honey Moon Limited" is a dashing mixture of dance, song, loveliness, cheerfulness and scenic magnificence.

"HONEY MOON LIMITED" COMES FROM CLINTON

The management of the opera house wishes to announce to its patrons that the big musical comedy, "Honey Moon Limited," which is to play here on Saturday is a standard road attraction and comes direct from Clinton, Iowa, and is not to be confused with the play which is rehearsing in this city in the Countyman building.

FUNERAL WEDNESDAY FOR MRS. BARNETT

The funeral of Mrs. C. C. Barnett, whose tragic death at her home north of Waukegan was reported in last evening's Telegraph, will be held at the Christian church at Pennsylvania Corners at 2:30 o'clock Wednesday afternoon. An obituary will be published later.

COSTA RICAN JAILS FULL OF POLITICAL PRISONERS

By Associated Press Leased Wire
Managua, Nicaragua, April 29.—Costa Ricans arriving here from Puntarenas state that the jails are overflowing with political prisoners among them being members of the family of former President Alfredo Gonzalez. It is declared that Costa Rica has 3,000 men under arms, 500 being at Puntarenas and 1,000 on the Nivarguan frontier.

Goose Fat Helps Colds

To many generations of Grandmas, the one remedy that almost never failed to relieve a cold, was goose grease, frequently mixed with turpentine. This good old-fashioned remedy can still be obtained in MENTH-O-EZE. And it is better than ever, because wintergreen, peppermint, menthol, the great Chinese cold remedy, and other healing oils have been added.

When rubbed on the chest, MENTH-O-EZE works from the outside just like the old goose grease and turpentine did. But the fumes from the other ingredients, when inhaled, draw the soreness out of the raw, inflamed linings of the throat and lungs, giving relief in 20 minutes.

Keep a jar of MENTH-O-EZE handy and be ready for the next cold. In opal jars, 30c and 60c.

No. 189. NOTICE TO CONTRACTORS
Sealed proposals addressed to the Board of Local Improvements and Council of the City of Dixon, Illinois, and endorsed proposals for the furnishing of the labor and materials for the construction of cement concrete curbing, cement concrete driveways and cement concrete roadway pavement in Everett Street, from N. Galena Avenue westerly to Upham Place, in the City of Dixon, Illinois, as provided for in Local Improvement Ordinance Number 189, Series of 1919, of said City of Dixon, will be received by the Board of Local Improvements and the Council of the City of Dixon until 8:00 o'clock in the evening on the 29th day of April A. D. 1919, and will be publicly opened by the Mayor of said City of Dixon (who is president of the Board of Local Improvements) at a joint meeting of said Council and Board to be held in the Council Chamber in the City Hall in said City of Dixon at 8 o'clock in the evening of the 29th day of April, A. D. 1919.

Said bids shall be opened by the Mayor in the presence of a majority of the Council and shall remain on file in the Mayor's office and be opened to public inspection for at least forty-eight hours before an award of said contract is made to any competitive bidder. After the expiration of forty-eight hours, as stated above, said Council and Board of Local Improvements shall meet in joint session and determine the most advantageous bid for the City and publicly declare the same.

The work for which tenders are invited is for the construction of:

2650 linear feet of cement concrete curbing, 20 inches high, 6 inches wide at top, 8 in. wide at bottom with foundation of gravel or crushed rock, with sand filler 6 in. deep and 12 in. wide.

5755 sq. yds. of cement concrete road way pavement, 5 in. thick at gutter and uniformly increasing to 7 in. thick at center, with asphalt joint filler, on 3 in. base of sand and gravel.

26 cement concrete driveways of 60 sq. ft. each, and as provided for in Local Improvement Ordinance No. 189, Series of 1919 of the City of Dixon, Illinois.

Each bid for this improvement must be accompanied by certified check or

A REAL ECONOMY

Because of Extra Wear

There is no better judge of shoe wear and comfort than the policeman who is on his feet all day long. W. H. Berry, patrolman in Boston, Mass., says of Neolin-soled shoes: "My shoes with Neolin Soles never wear better than any others I have ever used. They keep my feet dry at all times, and do not slip."

When you buy new shoes, be sure they are Neolin-soled, and you, too, will know better how to choose shoes. Moreover, these shoes are a real economy because of the extra wear they give. Most good shoe stores carry them in styles for men, women, and children.

And don't throw away your old shoes. Have them resoled with Neolin Soles. Remember—these shoes are flexible and waterproof, as well as long wearing, and are made by the Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

HOW-TO-GROW

SQUASHES.

Two distinct types of squashes are commonly grown in home gardens—the summer squashes, the fruits of which are used while they are young and tender, and the fall and winter squashes, which are ripened and used during the winter months.

The small-growing summer squashes are best adapted to planting in the average garden. The larger or standard varieties are better adapted to field culture, although one or two hills might be planted in a corner or along one side of the garden. The hills, which summer squashes are grown should be fully four feet apart and little manure and fertilizer should be worked into each hill as it is being made.

Plant light or ten seeds to a hill and thin to not more than three plants. The seeds should not be planted until all danger of frost is past.—United States Department of Agriculture.

Indigestion, Gas and Bloat From Acid-Stomach

An acid-stomach cannot digest food properly. Instead, the food sours and ferments and, passing into the intestines, becomes a breeding place for countless millions of deadly germs—toxic poisons they are called. These poisons are absorbed into the system and cause untold misery. So, you see, it is just acid-stomach, nothing else—that makes so many people weak, listless and unfit; saps their strength and energy; robs them of their vigor and vitality. Biliousness, bad liver, nervousness, blinding, splitting headaches, rheumatism, lumbago, sciatica—these and many other still more serious ailments often are traced to the common source—an acid-stomach.

Take EATONIC and get rid quickly of the pains of indigestion, heartburn, that horrible, lumpy, bloated feeling after eating; disgusting, belching, food-repeating; sour, gassy stomach. These stomach miseries are caused by what doctors call "Hyperacidity." It's just ACID-STOMACH. And in addition to the pains and miseries it causes, ACID-STOMACH is the starter of a long train of ailments that most people never dreamed are in any way connected with the stomach.

Pleasant tasting EATONIC TABLETS that you eat like a bit of candy, quickly put an end to your stomach troubles. They act as an absorbent—literally wipe up the excess tart acid and make the stomach pure, sweet and strong. Help digestion so that you get all the power and energy from your food. You cannot be well without it!

If you are one of those who have "tried everything" but in spite of it still suffer all kinds of acid-stomach miseries—if you lack physical and mental strength and vigor—begin at once to take EATONIC. Get back your physical and mental punch and enjoy the good things of life. Like thousands of others you will say you never dreamed that such amazingly quick relief and such a remarkable improvement in your general health was possible.

Your druggist has EATONIC. We authorize him to guarantee it to give you instant relief or refund your money. Get a big box of EATONIC today. It costs but little and the results are wonderful!

Today's Market Report

(By Associated Press Leased Wire)

FRESH DECLINES IN CORN ARE DUE TO MANY SALES

By Associated Press Leased Wire

Chicago, April 29.—Continued liquidating sales by holders led to fresh declines today in the corn market. The pressure to unload was of a persistent character. Liberal receipts here did much to stimulate bearish sentiment. Opening prices, which ranged from 1 1/2c to 4c lower, with July 1.62 to 1.63 and Sept. 1.59 to 1.60 1/2, were followed by a slight additional sag in some cases.

Oats receded with corn. After opening 1 1/2c to 1 1/4c down, with July 70 1/2 to 71c, the market underwent a moderate further setback.

Provisions were carried down by sympathy with the declines in the value of grain and hogs. Pork especially was weak.

Floods of automatic stop-loss orders which were brought into play by the break caused radical addition to the downturns in the market, and the acute weakness was increased by a notice that the government had stopped the bulk of export flour buying and might import foreign wheat. The corn market closed semi-demoralized, 9 1/2c to 11 1/2c net lower, with July 1.53 1/2 to 1.54 1/2 and Sept. 1.51 to 1.51 1/2.

ELKS' MEETING LAST EVENING OF INTEREST

The first annual Elks "out of town members meeting" was held last evening at the club, and was attended by more than 200. The entertainment and house committees had provided a program of rare merit which was thoroughly enjoyed by all who were present.

Following the regular lodge meeting, the members retired to the dining room where they were well fed by the social session committee. Before leaving the lodge room they were requested to remain after the social session for an entertainment to be staged in the lodge hall. Upon returning, the center of the hall had been changed into a roped arena and the stage was set.

A wrestling match between Buck Oliver of Sterling and Merle Pine of South Dixon proved by far to be the best number on the bill. Oliver substituted for another Sterling mat artist who was to have made his appearance here against Pine but was taken ill. He was out-weighted, but put up a game showing, losing two straight falls to Pine.

Owing to the inclemency of the weather and the condition of the roads, only a few of the out of town members attended. For this reason it is possible that another affair will be arranged for the entertainment of the membership at a later date.

Landis Denies Plea to Release Negroes

By Associated Press Leased Wire

Camp Grant, Ill., April 29.—Judge Kenesaw M. Landis today denied the application for a writ of habeas corpus to liberate fourteen Camp Grant negro soldiers held for re-trial upon a charge of assaulting a Bloomington woman at the camp last May.

Without deciding upon the merits of the case, Judge Landis held that the court martial board appointed by the secretary of war and now in session at Camp Grant is competent to determine its jurisdiction for the second trial of the accused.
